ARTICLE II

Original Issuance of Notes

Section 2.01 Form. The Term Notes and the Variable Pay Revolving Notes, in each case together with the Indenture Trustee's certificate of authentication, shall be in substantially the forms set forth in Exhibits A-1 and A-2, respectively, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may, consistently herewith, be determined by the officers executing the Notes, as evidenced by their execution thereof. Any portion of the text of any Note may be set forth on the reverse thereof, with an appropriate reference thereto on the face of such Note.

The Notes shall be typewritten, printed, lithographed or engraved or produced by any combination of these methods, all as determined by the Authorized Officers executing such Notes, as evidenced by their execution of such Notes.

The terms of the Notes set forth in Exhibits A-1 and A-2 are part of the terms of this Indenture.

Any additional Variable Pay Revolving Notes issued by the Issuer (in accordance with the instruction of the Depositor) after the Closing Date pursuant to Section 2.03 shall be issued in accordance with the provisions of this Indenture and shall be in substantially the form of Exhibit A-2 and shall have the same Note Rate (which may be adjusted as described in Section 2.03), Final Payment Date and priority for payment as the Variable Pay Revolving Notes issued on the Closing Date.

Section 2.02 Execution, Authentication and Delivery. The Notes shall be executed on behalf of the Issuer by any of its Authorized Officers. The signature of any such Authorized Officer on the Notes may be manual or facsimile.

Notes bearing the manual or facsimile signature of individuals who were at any time Authorized Officers of the Issuer shall bind the Issuer, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of such Notes.

The Indenture Trustee shall upon Issuer Request authenticate and deliver Term Notes for original issue in an aggregate initial principal amount of 962,325,000 and Variable Pay Revolving Notes for original issue in an aggregate initial principal amount of \$28,762,000. The Class A-1 Notes, Class A-2 Notes, Class A-3 Notes, Class A-1 Variable Pay Revolving Notes, Class A-2 Variable Pay Revolving Notes and Class A-3 Variable Pay Revolving Notes, shall have an initial principal amount equal to the Initial Class A-1 Note Balance, Initial Class A-2 Note Balance, Initial Class A-3 Note Balance, Initial Class A-1 Variable Pay Revolving Note Balance, Initial Class A-2 Variable Pay Revolving Note Balance and Initial Class A-3 Variable Pay Revolving Note Balance, respectively.

Each Note shall be dated the date of its authentication. The Term Notes shall be issuable as registered Book-Entry Notes in minimum denominations of \$25,000 and integral multiples of \$1,000 in excess thereof and the Variable Pay Revolving Notes shall be issued as Definitive Notes in minimum denominations of \$250,000 and integral multiples of \$1,000 in excess thereof. Each Class of Variable Pay Revolving Notes issued pursuant to Section 2.03 shall be issued with an initial Note Balance equal to the outstanding Note Balance of the related Class of Term Notes as of the related Targeted Final Payment Date, plus, in the case of a substitute Variable Pay Revolving Note issued in connection with an Advance by an existing Holder, the remaining Note Balance of the Variable Pay Revolving Note being so substituted.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a certificate of authentication substantially in the form provided for herein executed by the Indenture Trustee by the manual signature of one of its authorized signatories, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.03 Advance or Additional Variable Pay Revolving Notes. Not later than sixty (60) days prior to a Targeted Final Payment Date, the Indenture Trustee, on behalf of the Issuer, will request an Advance (in substantially the form attached hereto as Exhibit C) from the Holder(s) of the related Class of Variable Pay Revolving Notes in an aggregate amount equal to the outstanding Note Balance of the related Class of Term Notes, to be paid on the Business Day prior to such Targeted Final Payment Date. Within thirty (30) days thereafter, each Holder of that Class of Variable Pay Revolving Notes shall notify the Indenture Trustee in writing (as set forth in Exhibit C) whether it will make such Advance, subject to the continued satisfaction of the conditions precedent specified in the Note Purchase Agreement.

If the Holder of such Class of Variable Pay Revolving Notes indicates that it will make an Advance, the Issuer shall issue and, upon receipt of an Issuer Order, the Indenture Trustee shall authenticate, a substitute Variable Pay Revolving Note for such Holder in a principal amount equal to the remaining Note Balance of such Holder's existing Variable Pay Revolving Note plus the amount of the Advance to be made by such Holder. The Indenture Trustee shall register such substitute Variable Pay Revolving Note to such Holder on or prior to the date such Advance is to be made in exchange for the Advance and the existing Variable Pay Revolving Note of such Holder.

If the Holders of such Class of Variable Pay Revolving Notes indicate to the Indenture Trustee that they will not make an Advance in an aggregate amount equal to the outstanding Note Balance of the related Class of Term Notes, the Indenture Trustee will notify the Depositor by close of business on the next Business Day. If insufficient Advances will be made, the Depositor may direct the Issuer to issue additional Variable Pay Revolving Notes in an aggregate amount equal to the related outstanding Class of Term Notes or such insufficiency, if less. Upon receipt of such direction and the related Advance, the Issuer shall issue and, upon receipt of an Issuer Order, the Indenture Trustee shall authenticate, such additional Variable Pay Revolving Notes in accordance with Sections 2.01 and 2.02 and Article IV. If such additional Variable Pay Revolving Notes are issued, the Indenture Trustee shall register such Variable Pay Revolving Notes in accordance with Article IV of this Indenture and deliver such Variable Pay Revolving Notes in accordance with the instructions of the Depositor. In addition, in connection with the issuance of the additional Variable Pay Revolving Notes, at the direction of, and pursuant to the procedures provided by, the Depositor, the Indenture Trustee shall contact the broker-dealers identified by the Depositor in order to solicit bids for the aggregate principal amount of Variable Pay Revolving Notes for which the Indenture Trustee has received notice that Advances will not be made. Within a reasonable time after receipt of the bids, the Indenture Trustee, in consultation with the Depositor, shall determine the lowest margin over LIBOR at which Variable Pay Revolving Notes in an aggregate amount equal to the amount of requested Advances which the Indenture Trustee has received notice will not be made, can be sold, and such margin shall become the new margin in effect for all the Variable Pay Revolving Notes, as of the related Targeted Final Payment Date; provided that such margin shall in no event exceed 0.50%; and provided further that, if any Holder of a Variable Pay Revolving Note agrees to make an Advance on the related Targeted Final Payment Date, such margin shall not be lower than the margin on the Variable Pay Revolving Notes immediately prior to such Targeted Final Payment Date. In addition, if there exists an unreimbursed Draw on the Policy, or a Servicing Default has occurred and is continuing, the margin on the Variable Pay Revolving Notes may not be increased without the consent of the Enhancer. All further actions of the Indenture Trustee necessary to effect the issuance and sale of such additional Variable Pay Revolving Notes shall be at the direction of the Depositor and in conformity with this Indenture.

Notwithstanding the foregoing, if an Early Amortization Event has occurred, an Insolvency Event with respect to the Enhancer has occurred and is continuing or a Default has occurred and is continuing, the Indenture Trustee will not request an Advance and the Issuer will not issue any additional Variable Pay Revolving Notes.

ARTICLE III

Covenants

Section 3.01 Collection of Payments with Respect to the Mortgage Loans. The Indenture Trustee shall establish and maintain with itself the Note Payment Account in which the Indenture Trustee shall, subject to the terms of this paragraph, deposit, on the same day as it is received from the Servicer, each remittance received by the Indenture Trustee with respect to the Mortgage Loans. The Indenture Trustee shall make all payments of principal of and interest on

the Notes, subject to Section 3.03 as provided in Section 3.05 herein from monies on deposit in the Note Payment Account.

Section 3.02 Maintenance of Office or Agency. The Issuer will maintain in the City of Minneapolis, Minnesota, an office or agency where, subject to satisfaction of conditions set forth herein, Notes may be surrendered for registration of transfer or exchange, and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer hereby initially appoints the Indenture Trustee to serve as its agent for the foregoing purposes. If at any time the Issuer shall fail to maintain any such office or agency or shall fail to furnish the Indenture Trustee with the address thereof, such surrenders, notices and demands may be made or served at the Corporate Trust Office, and the Issuer hereby appoints the Indenture Trustee as its agent to receive all such surrenders, notices and demands.

Section 3.03 Money for Payments to Be Held in Trust; Paying Agent. As provided in Section 3.01, all payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Note Payment Account pursuant to Section 3.01 shall be made on behalf of the Issuer by the Indenture Trustee or by the Paying Agent, and no amounts so withdrawn from the Note Payment Account for payments of Notes shall be paid over to the Issuer except as provided in this Section 3.03. The Issuer hereby appoints the Indenture Trustee to act as initial Paying Agent hereunder. The Issuer will cause each Paying Agent other than the Indenture Trustee to execute and deliver to the Indenture Trustee an instrument in which such Paying Agent shall agree with the Indenture Trustee (and if the Indenture Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section 3.03, that such Paying Agent will:

(a) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(b) give the Indenture Trustee and the Enhancer written notice of any default by the Issuer of which it has actual knowledge in the making of any payment required to be made with respect to the Notes;

(c) at any time during the continuance of any such default, upon the written request of the Indenture Trustee, forthwith pay to the Indenture Trustee all sums so held in trust by such Paying Agent;

(d) immediately resign as Paying Agent and forthwith pay to the Indenture Trustee all sums held by it in trust for the payment of Notes, if at any time it ceases to meet the standards required to be met by a Paying Agent at the time of its appointment;

(e) comply with all requirements of the Code with respect to the withholding from any payments made by it on any Notes of any applicable withholding taxes imposed thereon and with respect to any applicable reporting requirements in connection therewith; and

(f) deliver to the Indenture Trustee a copy of the statement to Noteholders prepared with respect to each Payment Date by the Servicer pursuant to Section 4.01 of the Servicing Agreement.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, by Issuer Request direct any Paying Agent to pay to the Indenture Trustee all sums held in trust by such Paying Agent, such sums to be held by the Indenture Trustee upon the same trusts as those upon which the sums were held by such Paying Agent; and upon such payment by any Paying Agent to the Indenture Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Subject to applicable laws with respect to escheat of funds, any money held by the Indenture Trustee or any Paying Agent in trust for the payment of any amount due with respect to any Note and remaining unclaimed for one year after such amount has become due and payable shall be discharged from such trust and be paid to the Issuer on Issuer Request; and the Noteholder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof (but only to the extent of the amounts so paid to the Issuer), and all liability of the Indenture Trustee or such Paying Agent with respect to such trust money shall thereupon cease; provided, however, that the Indenture Trustee or such Paying Agent, before being required to make any such repayment, shall at the expense and direction of the Issuer cause to be published once, in an Authorized Newspaper, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Issuer. The Indenture Trustee may also adopt and employ, at the expense and direction of the Issuer, any other reasonable means of notification of such repayment (including, but not limited to, mailing notice of such repayment to Noteholders the Notes which have been called but have not been surrendered for redemption or whose right to or interest in monies due and payable but not claimed is determinable from the records of the Indenture Trustee or of any Paying Agent, at the last address of record for each such Noteholder).

Section 3.04 Existence. The Issuer will keep in full effect its existence, rights and franchises as a statutory trust under the laws of the State of Delaware (unless it becomes, or any successor Issuer hereunder is or becomes, organized under the laws of any other state or of the United States of America, in which case the Issuer will keep in full effect its existence, rights and franchises under the laws of such other jurisdiction) and will obtain and preserve its qualification to do business in each jurisdiction in which such qualification is or shall be necessary to protect the validity and enforceability of this Indenture, the Notes, the Mortgage Loans and each other instrument or agreement included in the Trust Estate.

Section 3.05 Priority of Distributions; Defaulted Interest.

(a) In accordance with Section 3.03(a) of the Servicing Agreement, the priority of distributions on each Payment Date from Principal Collections and Interest Collections with respect to the Mortgage Loans, any optional advance of delinquent principal or interest on the Mortgage Loans made by the Servicer in respect of the related Collection Period, any Policy Draw Amount deposited into the Note Payment Account (to be applied solely with respect to the

payment of amounts described in clauses (i) and (vi) under this Section 3.05(a)), and any amounts transferred to the Note Payment Account or Funding Account from the Pre-Funding Account, Capitalized Interest Account, Funding Account or Reserve Sub-Account pursuant to Sections 3.16, 3.17, 3.18 and 3.19 of the Servicing Agreement, is as follows:

(i) from Interest Collections, any Capitalized Interest Requirement pursuant to Section 3.19(b) of the Servicing Agreement and any Policy Draw Amount with respect to the Notes deposited into the Note Payment Account on such Payment Date pursuant to Section 3.28(a)(ii), to the Note Payment Account, for payment by the Paying Agent to the Noteholders of each Class of Term Notes and Variable Pay Revolving Notes, *pari passu*, interest for the related Interest Period at the related Note Rate on the related Note Balance immediately prior to such Payment Date, excluding any Relief Act Shortfalls allocated thereto pursuant to Section 3.05(f), plus any such amount remaining unpaid from prior Payment Dates;

(ii) from Net Principal Collections, to the extent not paid pursuant to clause (i) above, to the Note Payment Account, for payment by the Paying Agent to the Noteholders of each Class of Term Notes and Variable Pay Revolving Notes, *pari passu*, interest for the related Interest Period at the related Note Rate on the related Note Balance immediately prior to such Payment Date, excluding any Relief Act Shortfalls allocated thereto pursuant to Section 3.05(f), plus any such amount remaining unpaid from prior Payment Dates;

(iii) during the Revolving Period, to the Funding Account, Principal Collections to the extent not previously applied to purchase Additional Balances or Subsequent Mortgage Loans;

(iv) from Interest Collections, to the Enhancer, the amount of the premium for the Policy and any unpaid premium for the Policy from prior Payment Dates, with interest thereon as provided in the Insurance Agreement;

(v) at the request of the holders of the Certificates, from Excess Spread, to the Distribution Account, for distribution to the holders of the Certificates, an amount equal to the Additional Balance Increase Amount;

(vi) during the Revolving Period and the Amortization Periods, to the Note Payment Account, the Principal Distribution Amount for payment by the Paying Agent to the Noteholders for each Class of Variable Pay Revolving Notes, *pro rata*, based on their respective Note Balances, including any Policy Draw Amount with respect to the Notes deposited into the Note Payment Account on such Payment Date pursuant to Section 3.28(a)(iii); provided that any Liquidation Loss Amounts for any Payment Date during the Revolving Period shall be deposited in the Funding Account; provided further, that any amounts transferred from the Pre-Funding Account pursuant to Section 3.18(b) of the Servicing Agreement after the aggregate Note Balance of the Variable Pay Revolving Notes has been reduced to zero shall be deposited into the Funding Account;

(vii) to the Enhancer, to reimburse it for prior draws made on the Policy, with interest thereon as provided in the Insurance Agreement;

(viii) from any remaining Excess Spread during the Revolving Period, first, to the Note Payment Account for payment to each Class of Variable Pay Revolving Notes, *pro rata*, based on their respective Note Balances, until the Note Balance thereof has been reduced to zero and then as a deposit to the Funding Account, the amount necessary to be applied on that Payment Date so that the Overcollateralization Amount, after giving effect to the application of funds pursuant to clause (vi) above, is not less than the Overcollateralization Target Amount;

(ix) from any remaining Excess Spread during the Amortization Periods, to the Note Payment Account, the amount necessary to be applied on such Payment Date for payment by the Paying Agent to the Noteholders of the Variable Pay Revolving Notes, which amount will be paid to each Class of the Variable Pay Revolving Notes, *pro rata*, based on their respective Note Balances, so that the Overcollateralization Amount, after giving effect to the application of funds pursuant to clause (vi) above, is not less than the Overcollateralization Target Amount;

(x) from any remaining Excess Spread during the Amortization Periods, to the Note Payment Account, any Liquidation Loss Amounts not otherwise covered by payments pursuant to clauses (vi), (viii) or (ix) above on such Payment Date or prior Payment Dates, for payment by the Paying Agent to the Noteholders of each Class of Variable Pay Revolving Notes, *pro rata*, based on their respective Note Balances;

(xi) to the Enhancer, any amounts owed to the Enhancer pursuant to the Insurance Agreement other than amounts specified in clauses (iv) or (vii) above;

(xii) to the Note Payment Account from the remaining Excess Spread, for payment by the Paying Agent to the Noteholders, any Interest Shortfalls on the Notes for such Payment Date and for any Payment Date not previously paid, *pro rata*, in accordance with Interest Shortfalls previously allocated thereto and remaining unpaid;

(xiii) during the Amortization Periods, to the Indenture Trustee, any amounts owing to the Indenture Trustee pursuant to Section 6.07 to the extent remaining unpaid;

(xiv) to the Reserve Sub-Account, the amount (if any) required pursuant to Section 3.05(c); and

(xv) any remaining amount, to the Distribution Account, for distribution to the holders of the Certificates by the Certificate Paying Agent in accordance with the Trust Agreement;

provided, that on the Final Payment Date, the amount that is required to be paid pursuant to clause (vi) above shall be equal to the Note Balance immediately prior to such Payment Date and

shall include any amount on deposit in the Note Payment Account on such Payment Date in accordance with Section 3.28(a)(iii).

For purposes of the foregoing, the Note Balance of each Class of Notes on each Payment Date during the Amortization Periods for such Class of Notes will be reduced (any such reduction, an "Unpaid Principal Amount") by the pro rata portion allocable to such Notes of all Liquidation Loss Amounts for such Payment Date, but only to the extent that such Liquidation Loss Amounts are not otherwise covered by payments made pursuant to clauses (vi), (viii), (ix) or (x) above, or by a draw on the Policy, and the Overcollateralization Amount is zero.

(b) Notwithstanding the allocation of payments described in Section 3.05(a), unless an Early Amortization Event has occurred, all Collections on the Mortgage Loans payable as principal distributions on the Variable Pay Revolving Notes during the Amortization Periods will be so paid until the aggregate Note Balance of the Variable Pay Revolving Notes has been reduced to zero and thereafter, will be deposited into the Reserve Sub-Account. On the first Payment Date following the next Targeted Final Payment Date, amounts in the Reserve Sub-Account will be deposited into the Note Payment Account and applied as principal payments, *pro rata*, on the Variable Pay Revolving Notes based on their respective Note Balances.

Notwithstanding the allocation of payments described in Section 3.05(a), if an Early Amortization Event has occurred, all amounts in the Reserve Sub-Account and all Collections on the Mortgage Loans payable as principal distributions on the Variable Pay Revolving Notes pursuant to Section 3.05(a) will be paid on each Payment Date to the Holders of the Variable Pay Revolving Notes and the Term Notes, *pro rata*, based on their respective Note Balances.

(c) Within sixty (60) Business Days of each Targeted Final Payment Date, the Indenture Trustee, on behalf of the Issuer, will request an Advance (under the circumstances and in the manner set forth in Section 2.03 hereof) from the Holder of the related Class of Variable Pay Revolving Notes, the proceeds of which shall be applied by the Indenture Trustee to make principal payments in an amount equal to the outstanding Note Balance on the related Class of Term Notes on such Targeted Final Payment Date or, if received within 10 days following such Targeted Final Payment Date (but not later than 1:00 p.m. New York time on the 10th day or, if such 10th day is not a Business Day, the immediately preceding Business Day), not later than the 10th day following the related Targeted Final Payment Date or, if such 10th day is not a Business Day, the immediately preceding Business Day. If no Advance is received, the Issuer shall, at the direction of the Depositor, issue additional Variable Pay Revolving Notes. Neither the Advance, nor proceeds from the sale of additional Variable Pay Revolving Notes issued with respect to a Targeted Final Payment Date, will exceed or be less than the amount necessary to pay the outstanding Note Balance on the related Class of Term Notes on such Targeted Final Payment Date. Advances may be made and additional Variable Pay Revolving Notes may be issued only in connection with a Targeted Final Payment Date and in accordance with this Indenture and the Trust Agreement. If no Advance is received, and the Trust fails to issue additional Variable Pay Revolving Notes on a Targeted Final Payment Date, an amount equal to 10 days interest on the related Class of Term Notes shall be deposited into the Reserve Sub-Account pursuant to Section

3.05(a)(xv) from amounts otherwise payable to Certificateholders. Upon the issuance and sale by the Trust of additional Variable Pay Revolving Notes within 10 days after the related Targeted Final Payment Date, the amount of interest deposited into the Reserve Sub-Account pursuant to Section 3.05(a)(xv) shall be paid to the Holders of the related Class of Term Notes, together with the Note Balance of such Class, in an amount equal to the interest accrued on such Class of Term Notes through the date of payment.

(d) On each Payment Date, the Paying Agent shall apply, from amounts on deposit in the Note Payment Account, and in accordance with the Servicing Certificate, the amounts set forth above in the order of priority set forth in Section 3.05(a).

Amounts paid to Noteholders shall be paid in respect of the Notes in accordance with the applicable percentage as set forth in Section 3.05(e). Interest on the Notes will be computed on the basis of the actual number of days in each Interest Period and a 360-day year. Any installment of interest or principal payable on any Note that is punctually paid or duly provided for by the Issuer on the applicable Payment Date shall be paid to the Noteholder of record thereof on the immediately preceding Record Date by wire transfer to an account specified in writing by such Noteholder reasonably satisfactory to the Indenture Trustee, or by check or money order mailed to such Noteholder at such Noteholder's address appearing in the Note Register, the amount required to be distributed to such Noteholder on such Payment Date pursuant to such Noteholder's Notes; provided, that the Indenture Trustee shall not pay to any such Noteholder any amounts required to be withheld from a payment to such Noteholder by the Code.

(e) Principal of each Note shall be due and payable in full on the Final Payment Date as provided in the applicable form of Note set forth in Exhibits A-1 and A-2. All principal payments on the Term Notes and Variable Pay Revolving Notes of each Class shall be made in accordance with the priorities set forth in Sections 3.05(a), 3.05(b) and 3.05(c) to the Noteholders entitled thereto in accordance with the related Percentage Interests represented thereby. Upon written notice to the Indenture Trustee by the Issuer, the Indenture Trustee shall notify the Person in the name of which a Note is registered at the close of business on the Record Date preceding the applicable Targeted Final Payment Date, the Final Payment Date or other final Payment Date, as applicable. Such notice shall be mailed no later than five Business Days prior to the Final Payment Date or such other final Payment Date and, unless such Note is then a Book-Entry Note, shall specify that payment of the principal amount and any interest due with respect to such Note at the Final Payment Date or such other final Payment Date will be payable only upon presentation and surrender of such Note, and shall specify the place where such Note may be presented and surrendered for such final payment.

On each Payment Date, the Overcollateralization Amount available to cover any Liquidation Loss Amounts on such Payment Date shall be deemed to be reduced by an amount equal to such Liquidation Loss Amounts (except to the extent that such Liquidation Loss Amounts were covered on such Payment Date by a payment in respect of Liquidation Loss Amounts).

(f) With respect to any Payment Date, interest payments on the Notes will be reduced by any Relief Act Shortfalls for the related Collection Period on a pro rata basis in accordance with the amount of interest payable on the Notes on such Payment Date, absent such reduction.

Section 3.06 Protection of Trust Estate.

(a) The Issuer shall from time to time execute and deliver all such supplements and amendments hereto and all such financing statements, continuation statements, instruments of further assurance and other instruments, and will take such other action necessary or advisable to:

(i) maintain or preserve the lien and security interest (and the priority thereof) of this Indenture or carry out more effectively the purposes hereof;

(ii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture;

(iii) cause the Trust to enforce any of the Mortgage Loans; or

(iv) preserve and defend title to the Trust Estate and the rights of the Indenture Trustee and the Noteholders in such Trust Estate against the claims of all persons and parties.

(b) Except as otherwise provided in this Indenture, the Indenture Trustee shall not remove any portion of the Trust Estate that consists of money or is evidenced by an instrument, certificate or other writing from the jurisdiction in which it was held at the date of the most recent Opinion of Counsel delivered pursuant to Section 3.07 (or from the jurisdiction in which it was held as described in the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.07, if no Opinion of Counsel has yet been delivered pursuant to Section 3.07) unless the Indenture Trustee shall have first received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property will continue to be maintained after giving effect to such action or actions.

The Issuer hereby designates the Indenture Trustee its agent and attorney-in-fact to execute any financing statement, continuation statement or other instrument required to be executed pursuant to this Section 3.06.

Section 3.07 Opinions as to Trust Estate.

On the Closing Date, the Issuer shall furnish to the Indenture Trustee and the Owner Trustee an Opinion of Counsel at the expense of the Issuer stating that, upon delivery of the Loan Agreements relating to the Initial Mortgage Loans to the Indenture Trustee or the Custodian in the State of Pennsylvania, the Indenture Trustee will have a perfected, first priority security interest in such Mortgage Loans.

On or before December 31st in each calendar year, beginning in 2005, the Issuer shall furnish to the Indenture Trustee an Opinion of Counsel at the expense of the Issuer either stating that, in the opinion of such counsel, no further action is necessary to maintain a perfected, first priority security interest in the Mortgage Loans until December 31 in the following calendar year or, if any such action is required to maintain such security interest in the Mortgage Loans, such Opinion of Counsel shall also describe the recording, filing, re-recording and re-filing of this

Indenture, any indentures supplemental hereto and any other requisite documents and the execution and filing of any financing statements and continuation statements that will, in the opinion of such counsel, be required to maintain the security interest in the Mortgage Loans until December 31 in the following calendar year.

Section 3.08 Performance of Obligations; Servicing Agreement.

(a) The Issuer shall punctually perform and observe all of its obligations and agreements contained in this Indenture, the Basic Documents and in the instruments and agreements included in the Trust Estate.

(b) The Issuer may contract with other Persons to assist it in performing its duties under this Indenture, and any performance of such duties by a Person identified to the Indenture Trustee in an Officer's Certificate of the Issuer shall be deemed to be action taken by the Issuer.

(c) The Issuer shall not take any action or permit any action to be taken by others that would release any Person from any of such Person's covenants or obligations under any of the documents relating to the Mortgage Loans or under any instrument included in the Trust Estate, or that would result in the amendment, hypothecation, subordination, termination or discharge of, or impair the validity or effectiveness of, any of the documents relating to the Mortgage Loans or any such instrument, except such actions as the Servicer is expressly permitted to take in the Servicing Agreement.

(d) The Issuer may retain an administrator and may enter into contracts with other Persons for the performance of the Issuer's obligations hereunder, and performance of such obligations by such Persons shall be deemed to be performance of such obligations by the Issuer.

Section 3.09 Negative Covenants. So long as any Notes are Outstanding, the Issuer shall not:

(a) except as expressly permitted by this Indenture, sell, transfer, exchange or otherwise dispose of the Trust Estate, unless directed to do so by the Indenture Trustee pursuant to Section 5.04 hereof;

(b) claim any credit on, or make any deduction from the principal or interest payable in respect of, the Notes (other than amounts properly withheld from such payments under the Code) or assert any claim against any present or former Noteholder by reason of the payment of the taxes levied or assessed upon any part of the Trust Estate;

(c) (i) permit the validity or effectiveness of this Indenture to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to the Notes under this Indenture except as may be expressly permitted hereby, (ii) permit any lien, charge, excise, claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden the Trust Estate or

any part thereof or any interest therein or the proceeds thereof or (iii) permit the lien of this Indenture not to constitute a valid first priority security interest in the Trust Estate; or

(d) impair or cause to be impaired the Issuer's interest in the Mortgage Loans, the Purchase Agreement or in any other Basic Document, if any such action would materially and adversely affect the interests of the Noteholders.

Section 3.10 Annual Statement as to Compliance. The Issuer shall deliver to the Indenture Trustee, within 120 days after the end of each fiscal year of the Issuer (commencing with the fiscal year ending on December 31, 2005), an Officer's Certificate stating, as to the Authorized Officer signing such Officer's Certificate, that:

(a) a review of the activities of the Issuer during such year and of its performance under this Indenture and the Trust Agreement has been made under such Authorized Officer's supervision; and

(b) to the best of such Authorized Officer's knowledge, based on such review, the Issuer has complied with all conditions and covenants under this Indenture and the provisions of the Trust Agreement throughout such year, or, if there has been a default in its compliance with any such condition or covenant, specifying each such default known to such Authorized Officer and the nature and status thereof.

Section 3.11 Recordation of Assignments. The Issuer shall enforce the obligation, if any, of the Sellers under the Purchase Agreement to submit or cause to be submitted for recordation all Assignments of Mortgages within 60 days of receipt of recording information by the Servicer.

Section 3.12 Representations and Warranties Concerning the Mortgage Loans. The Indenture Trustee, as pledgee of the Mortgage Loans, shall have the benefit of (i) the representations and warranties made by GMACM in Section 3.1(a) and Section 3.1(b) of the Purchase Agreement and (ii) the benefit of the representations and warranties made by WG Trust 2003 in Section 3.1(d) of the Purchase Agreement, in each case, concerning the Mortgage Loans and the right to enforce the remedies against GMACM or WG Trust 2003 provided in Section 3.1(e) of the Purchase Agreement, as applicable, to the same extent as though such representations and warranties were made directly to the Indenture Trustee.

Section 3.13 Assignee of Record of the Mortgage Loans. As pledgee of the Mortgage Loans, the Indenture Trustee shall hold title to the Mortgage Loans by being named as payee in the endorsements or assignments of the Loan Agreements and assignee in the Assignments of Mortgage to be delivered under Section 2.1 of the Purchase Agreement. Except as expressly provided in the Purchase Agreement or in the Servicing Agreement with respect to any specific Mortgage Loan, the Indenture Trustee shall not execute any endorsement or assignment or otherwise release or transfer such title to any of the Mortgage Loans until such time as the remaining Trust Estate may be released pursuant to Section 8.05(b). The Indenture Trustee's holding of such title shall in all respects be subject to its fiduciary obligations to the Noteholders hereunder.

Section 3.14 Servicer as Agent and Bailee of the Indenture Trustee. Solely for purposes of perfection under Section 9-313 or 9-314 of the UCC or other similar applicable law, rule or regulation of the state in which such property is held by the Servicer, the Issuer and the Indenture Trustee hereby acknowledge that the Servicer is acting as agent and bailee of the Indenture Trustee in holding amounts on deposit in the Custodial Account pursuant to Section 3.02 of the Servicing Agreement that are allocable to the Mortgage Loans, as well as the agent and bailee of the Indenture Trustee in holding any Related Documents released to the Servicer pursuant to Section 3.06(c) of the Servicing Agreement, and any other items constituting a part of the Trust Estate which from time to time come into the possession of the Servicer. It is intended that, by the Servicer's acceptance of such agency pursuant to Section 3.02 of the Servicing Agreement, the Indenture Trustee, as a pledgee of the Mortgage Loans, will be deemed to have possession of such Related Documents, such monies and such other items for purposes of Section 9-313 or 9-314 of the UCC of the state in which such property is held by the Servicer.

Section 3.15 Investment Company Act. The Issuer shall not become an "investment company" or under the "control" of an "investment company" as such terms are defined in the Investment Company Act of 1940, as amended (or any successor or amendatory statute), and the rules and regulations thereunder (taking into account not only the general definition of the term "investment company" but also any available exceptions to such general definition); provided, however, that the Issuer shall be in compliance with this Section 3.15 if it shall have obtained an order exempting it from regulation as an "investment company" so long as it is in compliance with the conditions imposed in such order.

(a) The Issuer shall not consolidate or merge with or into any other Person, unless:

(i) the Person (if other than the Issuer) formed by or surviving such consolidation or merger shall be a Person organized and existing under the laws of the United States of America or any state or the District of Columbia and shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Indenture Trustee, in form reasonably satisfactory to the Indenture Trustee, the due and punctual payment of the principal of and interest on all Notes and to the Certificate Paying Agent, on behalf of the Certificateholders and the performance or observance of every agreement and covenant of this Indenture on the part of the Issuer to be performed or observed, all as provided herein;

(vi) the Issuer shall have delivered to the Indenture Trustee an Officer's Certificate and an Opinion of Counsel each stating that such consolidation or merger and such supplemental indenture comply with this Article III and that all conditions precedent herein provided for relating to such transaction have been complied with (including any filing required by the Exchange Act).

(b) The Issuer shall not convey or transfer any of its properties or assets, including those included in the Trust Estate, to any Person, unless:

(i) the Person that acquires by conveyance or transfer the properties and assets of the Issuer the conveyance or transfer of which is hereby restricted shall (A) be a United States citizen or a Person organized and existing under the laws of the United States of America or any state, (B) expressly assumes, by an indenture supplemental hereto, executed and delivered to the Indenture Trustee, in form satisfactory to the Indenture Trustee, the due and punctual payment of the principal of and interest on all Notes and the performance or observance of every agreement and covenant of this Indenture on the part of the Issuer to be performed or observed, all as provided herein, (C) expressly agrees by means of such supplemental indenture that all right, title and interest so conveyed or transferred shall be subject and subordinate to the rights of Noteholders of the Notes, (D) unless otherwise provided in such supplemental indenture, expressly agrees to indemnify, defend and hold harmless the Issuer against and from any loss, liability or expense arising under or related to this Indenture and the Notes and (E) expressly agrees by means of such supplemental indenture that such Person (or if a group of Persons, then one specified Person) shall make all filings with the Commission (and any other appropriate Person) required by the Exchange Act in connection with the Notes;

(vi) the Issuer shall have delivered to the Indenture Trustee an Officer's Certificate and an Opinion of Counsel each stating that such conveyance or transfer and such supplemental indenture comply with this Article III and that all conditions precedent herein provided for relating to such transaction have been complied with (including any filing required by the Exchange Act).

Section 3.17 Successor or Transferee.

(a) Upon any consolidation or merger of the Issuer in accordance with Section 3.16(a), the Person formed by or surviving such consolidation or merger (if other than the Issuer) shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture with the same effect as if such Person had been named as the Issuer herein.

(b) Upon a conveyance or transfer of all the assets and properties of the Issuer pursuant to Section 3.16(b), the Issuer shall be released from every covenant and agreement of this Indenture to be observed or performed on the part of the Issuer with respect to the Notes immediately upon the delivery of written notice to the Indenture Trustee of such conveyance or transfer.

Section 3.21 Capital Expenditures. The Issuer shall not make any expenditure (by long-term or operating lease or otherwise) for capital assets (either realty or personalty).

Section 3.22 Owner Trustee Not Liable for Certificates or Related Documents. The recitals contained herein shall be taken as the statements of the Issuer, and the Owner Trustee and the Indenture Trustee assume no responsibility for the correctness of the recitals contained herein. The Owner Trustee and the Indenture Trustee make no representations as to the validity

or sufficiency of this Indenture or any other Basic Document, of the Certificates (other than the signatures of the Owner Trustee or the Indenture Trustee on the Certificates) or the Notes, or of any Related Documents. The Owner Trustee and the Indenture Trustee shall at no time have any responsibility or liability with respect to the sufficiency of the Trust Estate or its ability to generate the payments to be distributed to Certificateholders under the Trust Agreement or the Noteholders under this Indenture, including, the compliance by the Depositor or the Sellers with any warranty or representation made under any Basic Document or in any related document or the accuracy of any such warranty or representation, or any action of the Certificate Paying Agent, the Certificate Registrar or any other person taken in the name of the Owner Trustee or the Indenture Trustee.

The Issuer will not, directly or indirectly, make payments to or distributions from the Custodial Account except in accordance with this Indenture and the other Basic Documents.

Section 3.24 Notice of Events of Default. The Issuer shall give the Indenture Trustee, the Enhancer and the Rating Agencies prompt written notice of each Event of Default hereunder and under the Trust Agreement.

Section 3.25 Further Instruments and Acts. Upon request of the Indenture Trustee, the Issuer shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purposes of this Indenture.

On each Payment Date, each of the Indenture Trustee and the Certificate Registrar shall make available to the Depositor, the Owner Trustee, each Rating Agency, each Noteholder and each Certificateholder, with a copy to the Enhancer, the Servicing Certificate provided to the Indenture Trustee by the Servicer relating to such Payment Date and delivered pursuant to Section 4.01 of the Servicing Agreement.

On the second LIBOR Business Day immediately preceding (i) the Closing Date in the case of the first Interest Period and (ii) the first day of each succeeding Interest Period, the Indenture Trustee shall determine LIBOR and the applicable Note Rate for such Interest Period and shall inform the Issuer, the Servicer and the Depositor by means of the Indenture Trustee's online service.

Section 3.28 Payments under the Policy.

(a) (i) If the Servicing Certificate specifies a Policy Draw Amount for any Payment Date, the Indenture Trustee shall make a draw on the Policy in an amount specified in the Servicing Certificate for such Payment Date or, if no amount is specified, the Indenture Trustee shall make a draw on the Policy in the amount by which the amount on deposit in the Note Payment Account is less than interest due on the Notes on such Payment Date.

(ii) The Indenture Trustee shall deposit or cause to be deposited such Policy Draw Amount into the Note Payment Account on such Payment Date to the extent such amount relates to clause (a) of the definition of "Deficiency Amount" or clause (b) of the definition of "Insured Amount".

Section 3.29 Replacement/Additional Enhancement. The Issuer (or the Servicer on its behalf) may, at its expense, in accordance with and upon satisfaction of the conditions set forth herein, but shall not be required to, obtain a surety bond, letter of credit, guaranty or reserve account as a Permitted Investment for amounts on deposit in the Capitalized Interest Account, or may arrange for any other form of additional credit enhancement; provided, that after prior notice thereto, no Rating Agency shall have informed the Issuer that a Rating Event would occur as a result thereof (without taking the Policy into account); and provided further, that the issuer of any such instrument or facility and the timing and mechanism for drawing on such additional enhancement shall be acceptable to the Indenture Trustee and the Enhancer. It shall be a condition to procurement of any such additional credit enhancement that there be delivered to the

Indenture Trustee and the Enhancer (a) an Opinion of Counsel, acceptable in form to the Indenture Trustee and the Enhancer, from counsel to the provider of such additional credit enhancement with respect to the enforceability thereof and such other matters as the Indenture Trustee or the Enhancer may require and (b) an Opinion of Counsel to the effect that the procurement of such additional enhancement would not (i) adversely affect in any material respect the tax status of the Notes or the Certificates or (ii) cause the Issuer to be taxable as an association (or a publicly traded partnership) for federal income tax purposes or to be classified as a taxable mortgage pool within the meaning of Section 7701(i) of the Code.

Section 3.30 Additional Representations of Issuer.

The Issuer hereby represents and warrants to the Indenture Trustee that as of the Closing Date:

- (a) This Indenture creates a valid and continuing security interest (as defined in the applicable UCC) in the Loan Agreements in favor of the Indenture Trustee, which security interest is prior to all other Liens (except as expressly permitted otherwise in this Indenture), and is enforceable as such as against creditors of and purchasers from the Issuer.
- (b) The Loan Agreements constitute "instruments" within the meaning of the applicable UCC.
- (c) The Issuer owns and has good and marketable title to the Loan Agreements free and clear of any Lien of any Person.
- (d) The original executed copy of each Loan Agreement (except for any Loan Agreement with respect to which a Lost Note Affidavit has been delivered to the Custodian) has been delivered to the Custodian.
- (e) The Issuer has received a written acknowledgment from the Custodian that the Custodian is acting solely as agent of the Indenture Trustee for the benefit of the Noteholders.
- (f) Other than the security interest granted to the Indenture Trustee pursuant to this Indenture, the Issuer has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Loan Agreements. The Issuer has not authorized the filing of and is not aware of any financing statements against the Issuer that include a description of collateral covering the Loan Agreements other than any financing statement relating to the security interest granted to the Indenture Trustee hereunder or any security interest that has been terminated. The Issuer is not aware of any judgment or tax lien filings against the Issuer.
- (g) None of the Loan Agreements has any marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than the Indenture Trustee, except for (i) any endorsements that are part of a complete chain of endorsements from the originator of the Loan Agreement to the Indenture Trustee,

and (ii) any marks or notations pertaining to Liens that have been terminated or released.

- (h) None of the provisions of this Section 3.30 shall be waived without the prior written confirmation from Standard & Poor's that such waiver shall not result in a reduction or withdrawal of the then-current rating of the Notes.

ARTICLE IV

The Notes; Satisfaction And Discharge Of Indenture

Section 4.01 The Notes; Variable Pay Revolving Notes

(a) The Term Notes shall be registered in the name of a nominee designated by the Depository. Beneficial Owners will hold interests in the Term Notes through the book-entry facilities of the Depository in minimum initial Term Note Balances of \$25,000 and integral multiples of \$1,000 in excess thereof.

The Indenture Trustee may for all purposes (including the making of payments due on the Notes) deal with the Depository as the authorized representative of the Beneficial Owners with respect to the Term Notes for the purposes of exercising the rights of Noteholders of Term Notes hereunder. Except as provided in the next succeeding paragraph of this Section 4.01, the rights of Beneficial Owners with respect to the Term Notes shall be limited to those established by law and agreements between such Beneficial Owners and the Depository and Depository Participants. Except as provided in Section 4.08, Beneficial Owners shall not be entitled to definitive certificates for the Term Notes as to which they are the Beneficial Owners. Requests and directions from, and votes of, the Depository as Noteholder of the Term Notes shall not be deemed inconsistent if they are made with respect to different Beneficial Owners. The Indenture Trustee may establish a reasonable record date in connection with solicitations of consents from or voting by Noteholders and give notice to the Depository of such record date. Without the consent of the Issuer and the Indenture Trustee, no Term Note may be transferred by the Depository except to a successor Depository that agrees to hold such Note for the account of the Beneficial Owners.

In the event the Depository Trust Company resigns or is removed as Depository, the Indenture Trustee, at the request of the Servicer and with the approval of the Issuer may appoint a successor Depository. If no successor Depository has been appointed within 30 days of the effective date of the Depository's resignation or removal, each Beneficial Owner shall be entitled to certificates representing the Notes it beneficially owns in the manner prescribed in Section 4.08.

The Notes shall, on original issue, be executed on behalf of the Issuer by the Owner Trustee, not in its individual capacity but solely as Owner Trustee and upon Issuer Order, authenticated by the Note Registrar and delivered by the Indenture Trustee to or upon the order of the Issuer.

(b) The Variable Pay Revolving Notes issued on the Closing Date shall be issued in definitive form and shall bear the designation "Class A-1 VPRN-1," "Class A-2 VPRN-1" and "Class A-3 VPRN-1," as applicable, and each new Class of Variable Pay Revolving Notes will be issued in definitive form and shall bear sequential numerical designations in the order of their issuance.

Section 4.02 Registration of and Limitations on Transfer and Exchange of Notes; Appointment of Certificate Registrar. The Issuer shall cause to be kept at the Indenture Trustee's Corporate Trust Office a Note Register in which, subject to such reasonable regulations as it may prescribe, the Note Registrar shall provide for the registration of Notes and of transfers and exchanges of Notes as herein provided. The Issuer hereby appoints the Indenture Trustee as the initial Note Registrar.

Subject to the restrictions and limitations set forth below, upon surrender for registration of transfer of any Note at the Corporate Trust Office, the Issuer shall execute, and the Note Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes in authorized initial Note Balances evidencing the same aggregate Percentage Interests.

No transfer, sale, pledge or other disposition of a Variable Pay Revolving Note shall be made unless such transfer, sale, pledge or other disposition is exempt from the registration requirements of the Securities Act, and any applicable state securities laws or is made in accordance with said Act and laws. In the event of any such transfer, the Indenture Trustee or the Issuer shall require the transferee to either (i) execute an investment letter in substantially the form attached hereto as Exhibit B (or in such form and substance reasonably satisfactory to the Indenture Trustee and the Issuer) which investment letters shall not be an expense of the Owner Trustee, the Indenture Trustee, the Servicer, the Depositor or the Issuer and which investment letter states that, among other things, such transferee (a) is a "qualified institutional buyer" as defined under Rule 144A, acting for its own account or the accounts of other "qualified institutional buyers" as defined under Rule 144A, and (b) is aware that the proposed transferor intends to rely on the exemption from registration requirements under the Securities Act, provided by Rule 144A or (ii) deliver to the Indenture Trustee and the Issuer (a) an investment letter executed by the transferee in substantially the form of Exhibit D, (b) a representation letter executed by the transferor in substantially the form of Exhibit E and (c) an opinion of counsel to the effect that such transfer is not required to be registered under the Securities Act and the facts surrounding the transfer do not create a security that is required to be registered under the Securities Act, in each case, acceptable to and in form and substance reasonably satisfactory to the Issuer and the Indenture Trustee, which opinion and letters shall not be an expense of the Owner Trustee, the Indenture Trustee, the Servicer, the Depositor or the Issuer. The Noteholder of a Variable Pay Revolving Note desiring to effect such transfer shall, and does hereby agree to, indemnify the Indenture Trustee, the Enhancer and the Issuer against any liability that may result if the transfer is not so exempt or is not made in accordance with such federal and state laws. In addition, no transfer of any Variable Pay Revolving Note or any interest therein shall be made to any employee benefit plan or certain other retirement plans and arrangements, including individual retirement accounts and annuities, Keogh plans and bank collective investment funds and insurance company general or separate accounts in which such plans, accounts or

arrangements are invested, that are subject to ERISA or Section 4975 of the Code (collectively, a "Plan"), any Person acting, directly or indirectly, on behalf of any such Plan or any Person acquiring such Variable Pay Revolving Note with "plan assets" of a Plan within the meaning of the Department of Labor Regulations Section 2510.3-101 ("Plan Assets") unless the Indenture Trustee and the Servicer are provided with an Opinion of Counsel that establishes to the satisfaction of the Indenture Trustee and the Servicer that the purchase of such Variable Pay Revolving Note is permissible under applicable law, will not constitute or result in any prohibited transaction under ERISA or Section 4975 of the Code and will not subject the Indenture Trustee or the Servicer to any obligation or liability (including obligations or liabilities under ERISA or Section 4975 of the Code) in addition to those undertaken in this Indenture, which Opinion of Counsel shall not be an expense of the Indenture Trustee or the Servicer. In lieu of such Opinion of Counsel, any Person acquiring such Variable Pay Revolving Note shall provide a certification in the form of Exhibit G to the Trust Agreement, which the Indenture Trustee and the Servicer may rely upon without further inquiry or investigation. Neither an Opinion of Counsel nor a certification will be required in connection with the initial transfer of any such Variable Pay Revolving Note by the Owner Trust to the Depositor or any transfer from the Depositor to an Affiliate of the Depositor (in which case, the Depositor or any such Affiliate shall be deemed to have represented that the Depositor or such Affiliate, as applicable, is not a Plan or a Person investing Plan Assets of any Plan) and the Indenture Trustee shall be entitled to conclusively rely upon a representation (which shall be a written representation) from the Depositor of the status of such transferee as an Affiliate of the Depositor.

Until the earlier of (i) 10 days after the Targeted Final Payment Date for the related Class of Term Notes or (ii) the occurrence of an Early Amortization Event, no Variable Pay Revolving Note issued after the Closing Date, either at issuance or upon sale transfer, pledge or other disposition, will be registered in the name of any Holder unless such Holder shall have established, to the satisfaction of the Indenture Trustee and the Depositor, that such Holder is either an Initial Purchaser, any Affiliate thereof or a broker-dealer acquiring a Variable Pay Revolving Note for resale or has the Required Ratings (or its obligations are guaranteed by an entity that has the Required Ratings) or such Holder shall have been approved by Noteholders representing 51% of the aggregate Note Balance of each Class of Term Notes and the Enhancer (provided that no Enhancer Default or Insolvency Event with respect to the Enhancer has occurred and is continuing), which approval of the Enhancer shall not be unreasonably withheld; provided, that if the Enhancer shall not have notified the Depositor or the Indenture Trustee within five (5) days of receiving notice of a proposed transferee, that the Enhancer does not approve such Holder, such approval shall be deemed to have been made.

Subject to the foregoing, at the option of the Noteholders, Notes may be exchanged for other Notes of like tenor, in each case in authorized initial Note Balances evidencing the same aggregate Percentage Interests, upon surrender of the Notes to be exchanged at the Corporate Trust Office of the Note Registrar. Whenever any Notes are so surrendered for exchange, the Issuer shall execute and the Note Registrar shall authenticate and deliver the Notes which the Noteholder making the exchange is entitled to receive. Each Note presented or surrendered for registration of transfer or exchange shall (if so required by the Note Registrar) be duly endorsed by, or be accompanied by a written instrument of transfer in form reasonably satisfactory to the Note Registrar duly executed by, the Noteholder thereof or his attorney duly authorized in

writing with such signature guaranteed by a commercial bank or trust company located or having a correspondent located in The City of New York. Notes delivered upon any such transfer or exchange will evidence the same obligations, and will be entitled to the same rights and privileges, as the Notes surrendered.

No service charge shall be imposed for any registration of transfer or exchange of Notes, but the Note Registrar shall require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any registration of transfer or exchange of Notes.

All Notes surrendered for registration of transfer and exchange shall be cancelled by the Note Registrar and delivered to the Indenture Trustee for subsequent destruction without liability on the part of either.

The Issuer hereby appoints the Indenture Trustee as Certificate Registrar to keep at its Corporate Trust Office a Certificate Register pursuant to Section 3.09 of the Trust Agreement in which, subject to such reasonable regulations as it may prescribe, the Certificate Registrar shall provide for the registration of Certificates and of transfers and exchanges thereof pursuant to Section 3.05 of the Trust Agreement. The Indenture Trustee hereby accepts such appointment.

Each purchaser of a Note, by its acceptance of the Note, shall be deemed to have represented that the acquisition of such Note by the purchaser does not constitute or give rise to a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code, for which no statutory, regulatory or administrative exemption is available.

Section 4.03 Mutilated, Destroyed, Lost or Stolen Notes. If (i) any mutilated Note is surrendered to the Indenture Trustee, or the Indenture Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, and (ii) there is delivered to the Indenture Trustee such security or indemnity as may be required by it to hold the Issuer and the Indenture Trustee harmless, then, in the absence of notice to the Issuer, the Note Registrar or the Indenture Trustee that such Note has been acquired by a bona fide purchaser, and provided that the requirements of Section 8 405 of the UCC are met, the Issuer shall execute, and upon its request the Indenture Trustee shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a replacement Note of the same class; provided, however, that if any such destroyed, lost or stolen Note, but not a mutilated Note, shall have become or within seven days shall be due and payable, instead of issuing a replacement Note, the Issuer may pay such destroyed, lost or stolen Note when so due or payable without surrender thereof. If, after the delivery of such replacement Note or payment of a destroyed, lost or stolen Note pursuant to the proviso to the preceding sentence, a bona fide purchaser of the original Note in lieu of which such replacement Note was issued presents for payment such original Note, the Issuer and the Indenture Trustee shall be entitled to recover such replacement Note (or such payment) from the Person to whom it was delivered or any Person taking such replacement Note from such Person to whom such replacement Note was delivered or any assignee of such Person, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuer or the Indenture Trustee in connection therewith.

Upon the issuance of any replacement Note under this Section 4.03, the Issuer may require the payment by the Noteholder of such Note of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other reasonable expenses (including the fees and expenses of the Indenture Trustee) connected therewith.

Every replacement Note issued pursuant to this Section 4.03 in replacement of any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section 4.03 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

Section 4.04 Persons Deemed Owners. Prior to due presentment for registration of transfer of any Note, the Issuer, the Indenture Trustee and any agent of the Issuer or the Indenture Trustee may treat the Person in whose name any Note is registered (as of the day of determination) as the owner of such Note for the purpose of receiving payments of principal of and interest, if any, on such Note and for all other purposes whatsoever, whether or not such Note be overdue, and none of the Issuer, the Indenture Trustee or any agent of the Issuer or the Indenture Trustee shall be affected by notice to the contrary.

Section 4.05 Cancellation. All Notes surrendered for payment, registration of transfer, exchange or redemption shall, if surrendered to any Person other than the Indenture Trustee, be delivered to the Indenture Trustee and shall be promptly cancelled by the Indenture Trustee. The Issuer may at any time deliver to the Indenture Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Issuer may have acquired in any manner whatsoever, and all Notes so delivered shall be promptly cancelled by the Indenture Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section 4.05, except as expressly permitted by this Indenture. All cancelled Notes may be held or disposed of by the Indenture Trustee in accordance with its standard retention or disposal policy as in effect at the time unless the Issuer shall direct by an Issuer Request that they be destroyed or returned to it; provided, however, that such Issuer Request is timely and the Notes have not been previously disposed of by the Indenture Trustee.

Section 4.06 Book-Entry Notes. Each Class of Term Notes, upon original issuance, shall be issued in the form of typewritten Notes representing the Book-Entry Notes, to be delivered to The Depository Trust Company, the initial Depository, by, or on behalf of, the Issuer. Such Term Notes shall initially be registered on the Note Register in the name of Cede & Co., the nominee of the initial Depository, and no Beneficial Owner shall receive a Definitive Note representing such Beneficial Owner's interest in such Note, except as provided in Section 4.08. Unless and until definitive, fully registered Term Notes (such Term Notes, together with the Variable Pay Revolving Notes, the "Definitive Notes") have been issued to Beneficial Owners pursuant to Section 4.08:

(a) the provisions of this Section 4.06 shall be in full force and effect;

(b) the Note Registrar and the Indenture Trustee shall be entitled to deal with the Depository for all purposes of this Indenture (including the payment of principal of and interest on the Notes and the giving of instructions or directions hereunder) as the sole holder of the Term Notes, and shall have no obligation to the Beneficial Owners;

(c) to the extent that the provisions of this Section 4.06 conflict with any other provisions of this Indenture, the provisions of this Section 4.06 shall control;

(d) the rights of Beneficial Owners shall be exercised only through the Depository and shall be limited to those established by law and agreements between such Owners of Term Notes and the Depository or the Depository Participants. Unless and until Definitive Notes are issued pursuant to Section 4.08, the initial Depository will make book-entry transfers among the Depository Participants and receive and transmit payments of principal of and interest on the Notes to such Depository Participants; and

(e) whenever this Indenture requires or permits actions to be taken based upon instructions or directions of Noteholders of Term Notes evidencing a specified percentage of the Note Balances of the Term Notes, the Depository shall be deemed to represent such percentage only to the extent that it has received instructions to such effect from Beneficial Owners or Depository Participants owning or representing, respectively, such required percentage of the beneficial interest in the Term Notes and has delivered such instructions to the Indenture Trustee.

Section 4.07 Notices to Depository. Whenever a notice or other communication to the Noteholders of the Term Notes is required under this Indenture, unless and until Definitive Term Notes shall have been issued to Beneficial Owners pursuant to Section 4.08, the Indenture Trustee shall give all such notices and communications specified herein to be given to Noteholders of the Term Notes to the Depository, and shall have no obligation to the Beneficial Owners.

Section 4.08 Definitive Notes. Each Variable Pay Revolving Note shall be issued as a Definitive Note. If (i) the Indenture Trustee determines that the Depository is no longer willing or able to properly discharge its responsibilities with respect to the Term Notes and the Indenture Trustee is unable to locate a qualified successor, (ii) the Depositor, with the prior consent of the Beneficial Owners, notifies the Indenture Trustee and the Depository that it has elected to terminate the book-entry system through the Depository, or (iii) after the occurrence of an Event of Default, Beneficial Owners of Term Notes representing beneficial interests aggregating at least a majority of the aggregate Term Note Balance of the Term Notes advise the Depository in writing that the continuation of a book-entry system through the Depository is no longer in the best interests of the Beneficial Owners, then the Depository shall notify all Beneficial Owners and the Indenture Trustee of the occurrence of any such event and of the availability of Definitive Notes to Beneficial Owners requesting the same. Upon surrender to the Indenture Trustee of the typewritten Term Notes representing the Book-Entry Notes by the Depository (or Percentage Interest of the Book-Entry Notes being transferred pursuant to clause (iii) above), accompanied by registration instructions, the Issuer shall execute and the Indenture Trustee shall

authenticate the Definitive Notes in accordance with the instructions of the Depository. None of the Issuer, the Note Registrar or the Indenture Trustee shall be liable for any delay in delivery of such instructions, and each may conclusively rely on, and shall be protected in relying on, such instructions. Upon the issuance of Definitive Notes, the Indenture Trustee shall recognize the Noteholders of the Definitive Notes as Noteholders.

Section 4.09 Tax Treatment. The Issuer has entered into this Indenture, and the Notes will be issued, with the intention that, for federal, state and local income, single business and franchise tax purposes, the Notes will be treated as indebtedness for purposes of such taxes. The Issuer, by entering into this Indenture, and each Noteholder, by its acceptance of its Note (and each Beneficial Owner by its acceptance of an interest in the applicable Book-Entry Note), agree to treat the Notes for federal, state and local income, single business and franchise tax purposes as indebtedness for purposes of such taxes.

Section 4.10 Satisfaction and Discharge of Indenture. This Indenture shall cease to be of further effect with respect to the Notes except as to (i) rights of registration of transfer and exchange, (ii) substitution of mutilated, destroyed, lost or stolen Notes, (iii) rights of Noteholders to receive payments of principal thereof and interest thereon, (iv) Sections 3.03, 3.04, 3.06, 3.09, 3.16, 3.18 and 3.19, (v) the rights, obligations and immunities of the Indenture Trustee hereunder (including the rights of the Indenture Trustee under Section 6.07 and the obligations of the Indenture Trustee under Section 4.11) and (vi) the rights of Noteholders as beneficiaries hereof with respect to the property so deposited with the Indenture Trustee payable to all or any of them, and the Indenture Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture with respect to the Notes, when:

(A) either:

(1) all Notes theretofore authenticated and delivered (other than (i) Notes that have been destroyed, lost or stolen and that have been replaced or paid as provided in Section 4.03 and (ii) Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 3.03) have been delivered to the Indenture Trustee for cancellation; or

(2) all Notes not theretofore delivered to the Indenture Trustee for cancellation:

- a) have become due and payable;
- b) will become due and payable at the Final Payment Date within one year; or
- c) have been declared immediately due and payable pursuant to Section 5.02.

and the Issuer has irrevocably deposited or caused to be irrevocably deposited with the Indenture Trustee cash or direct obligations of or obligations guaranteed by the United States of America (which will mature prior to the date such amounts are payable), in trust for such purpose, in an amount sufficient to pay and discharge the entire indebtedness on such Notes and Certificates then Outstanding not theretofore delivered to the Indenture Trustee for cancellation when due on the Final Payment Date, as evidenced to the Indenture Trustee by an accountant's letter or an Officer's Certificate of the Issuer;

(B) the Issuer has paid or caused to be paid all other sums payable hereunder and under the Insurance Agreement by the Issuer; and

(C) the Issuer has delivered to the Indenture Trustee and the Enhancer an Officer's Certificate and an Opinion of Counsel, each meeting the applicable requirements of Section 10.01 and each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with and, if the Opinion of Counsel relates to a deposit made in connection with Section 4.10(A)(2)b. above, such opinion shall further be to the effect that such deposit will not have any material adverse tax consequences to the Issuer, any Noteholders or any Certificateholders.

Section 4.11 Application of Trust Money. All monies deposited with the Indenture Trustee pursuant to Section 4.10 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent or Certificate Paying Agent, as the Indenture Trustee may determine, to the Securityholders of Securities, of all sums due and to become due thereon for principal and interest; but such monies need not be segregated from other funds except to the extent required herein or required by law.

Section 4.12 Subrogation and Cooperation. The Issuer and the Indenture Trustee acknowledge that (i) to the extent the Enhancer makes payments under the Policy on account of principal of or interest on the Notes, the Enhancer will be fully subrogated to the rights the Noteholders to receive such principal and interest, and (ii) the Enhancer shall be paid such principal and interest only from the sources and in the manner provided herein and in the Insurance Agreement for the payment of such principal and interest.

The Indenture Trustee shall cooperate in all respects with any reasonable request by the Enhancer for action to preserve or enforce the Enhancer's rights or interest under this Indenture or the Insurance Agreement, consistent with this Indenture and without limiting the rights of the Noteholders as otherwise set forth in the Indenture, including upon the occurrence and continuance of a default under the Insurance Agreement, a request (which request shall be in writing) to take any one or more of the following actions:

(i) institute Proceedings for the collection of all amounts then payable on the Notes or under this Indenture in respect to the Notes and all amounts payable under the Insurance Agreement and to enforce any judgment obtained and collect from the Issuer monies adjudged due;

(ii) sell the Trust Estate or any portion thereof or rights or interest therein, at one or more public or private Sales (as defined in Section 5.15 hereof) called and conducted in any manner permitted by law;

(iii) file or record all assignments that have not previously been recorded;

(iv) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture; and

(v) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Enhancer hereunder.

Following the payment in full of the Notes, the Enhancer shall continue to have all rights and privileges provided to it under this Section and in all other provisions of this Indenture, until all amounts owing to the Enhancer have been paid in full.

Section 4.13 Repayment of Monies Held by Paying Agent. In connection with the satisfaction and discharge of this Indenture with respect to the Notes, all monies then held by any Paying Agent (other than the Indenture Trustee) under the provisions of this Indenture with respect to such Notes shall, upon demand of the Issuer, be paid to the Indenture Trustee to be held and applied according to Section 3.05; and thereupon, such Paying Agent shall be released from all further liability with respect to such monies.

Section 4.14 Temporary Notes. Pending the preparation of any Definitive Notes, the Issuer may execute and upon its written direction, the Indenture Trustee may authenticate and make available for delivery, temporary Notes that are printed, lithographed, typewritten, photocopied or otherwise produced, in any denomination, substantially of the tenor of the Definitive Notes in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Notes may determine, as evidenced by their execution of such Notes.

If temporary Notes are issued, the Issuer will cause Definitive Notes to be prepared without unreasonable delay. After the preparation of the Definitive Notes, the temporary Notes shall be exchangeable for Definitive Notes upon surrender of the temporary Notes at the office or agency of the Indenture Trustee, without charge to the Noteholder. Upon surrender for cancellation of any one or more temporary Notes, the Issuer shall execute and the Indenture Trustee shall authenticate and make available for delivery, in exchange therefor, Definitive Notes of authorized denominations and of like tenor and aggregate principal amount. Until so exchanged, such temporary Notes shall in all respects be entitled to the same benefits under this Indenture as Definitive Notes.

ARTICLE V

Default And Remedies

Section 5.01 Events of Default. The Issuer shall deliver to the Indenture Trustee and the Enhancer, within five days after learning of the occurrence of any event that with the giving of notice and the lapse of time would become an Event of Default under clause (c) of the definition of "Event of Default" written notice in the form of an Officer's Certificate of its status and what action the Issuer is taking or proposes to take with respect thereto.

Section 5.02 Acceleration of Maturity; Rescission and Annulment. If an Event of Default shall occur and be continuing, then and in every such case the Indenture Trustee, acting at the direction of the Enhancer or the Noteholders of Notes representing not less than a majority of the aggregate Note Balance of the Notes, with the written consent of the Enhancer (so long as no Enhancer Default exists), may declare the Notes to be immediately due and payable by a notice in writing to the Issuer (and to the Indenture Trustee if given by Noteholders); and upon any such declaration, the unpaid principal amount of the Notes, together with accrued and unpaid interest thereon through the date of acceleration, shall become immediately due and payable.

At any time after such declaration of acceleration of maturity with respect to an Event of Default has been made and before a judgment or decree for payment of the money due has been obtained by the Indenture Trustee as hereinafter provided in this Article V, the Enhancer or the Noteholders of Notes representing a majority of the aggregate Note Balance of the Notes, with the written consent of the Enhancer, by written notice to the Issuer and the Indenture Trustee, may in writing waive the related Event of Default and rescind and annul such declaration and its consequences if:

(a) the Issuer has paid or deposited with the Indenture Trustee a sum sufficient to pay:

(i) all payments of principal of and interest on the Notes and all other amounts that would then be due hereunder or upon the Notes if the Event of Default giving rise to such acceleration had not occurred;

(ii) all sums paid or advanced by the Indenture Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee and its agents and counsel; and

(iii) all Events of Default, other than the nonpayment of the principal of the Notes that has become due solely by such acceleration, have been cured or waived as provided in Section 5.12;

provided that no such waiver shall be effective following an Early Amortization Event if the requisite consents of the Noteholders and the Enhancer have been obtained with respect to a sale or other liquidation of the Trust Estate pursuant to Section 5.04(a).

No such rescission shall affect any subsequent default or impair any right consequent thereto.

Section 5.03 Collection of Indebtedness and Suits for Enforcement by Indenture Trustee.

(a) The Issuer covenants that if default in the payment of (i) any interest on any Note when the same becomes due and payable, and such default continues for a period of five days, or (ii) the principal of or any installment of the principal of any Note when the same becomes due and payable, the Issuer shall, upon demand of the Indenture Trustee, pay to it, for the benefit of the Noteholders, the entire amount then due and payable on the Notes for principal and interest, with interest on the overdue principal, and in addition thereto such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee and its agents and counsel.

(b) In case the Issuer shall fail forthwith to pay such amounts upon such demand, the Indenture Trustee, in its own name and as trustee of an express trust, subject to the provisions of Section 10.17 hereof, may institute a Proceeding for the collection of the sums so due and unpaid, and may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Issuer or other obligor on the Notes and collect in the manner provided by law out of the property of the Issuer or other obligor on the Notes, wherever situated, the monies adjudged or decreed to be payable.

(c) If an Event of Default shall occur and be continuing, the Indenture Trustee, subject to the provisions of Section 10.17 hereof, may, as more particularly provided in Section 5.04, in its discretion proceed to protect and enforce its rights and the rights of the Noteholders by such appropriate Proceedings as the Indenture Trustee shall deem most effective to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Indenture Trustee by this Indenture or by law.

(d) If there shall be pending, relative to the Issuer or any other obligor on the Notes or any Person having or claiming an ownership interest in the Trust Estate, Proceedings under Title 11 of the United States Code or any other applicable federal or state bankruptcy, insolvency or other similar law, or if a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer or its property or such other obligor or Person, or if there shall be any other comparable judicial Proceedings relative to the Issuer or other any other obligor on the Notes, or relative to the creditors or property of the Issuer or such other obligor, then the Indenture Trustee, irrespective of whether the principal of any Notes shall then be due and payable as therein expressed or by declaration or otherwise, and irrespective of whether the Indenture Trustee shall have made any demand pursuant to the provisions of this Section, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(i) to file and prove a claim or claims for the entire amount of principal and interest owing and unpaid in respect of the Notes and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Indenture Trustee (including any claim for reasonable compensation to the Indenture Trustee and each predecessor Indenture Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Indenture Trustee and each predecessor Indenture Trustee, except as a result of negligence, willful misconduct or bad faith) and of the Noteholders allowed in such Proceedings;

(ii) unless prohibited by applicable law and regulations, to vote on behalf of the Noteholders in any election of a trustee, a standby trustee or Person performing similar functions in any such Proceedings;

(iii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute all amounts received with respect to the claims of the Noteholders and of the Indenture Trustee on their behalf; and

(iv) to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Indenture Trustee or the Noteholders allowed in any judicial proceedings relative to the Issuer, its creditors and its property;

and any trustee, receiver, liquidator, custodian or other similar official in any such Proceeding is hereby authorized by each of such Noteholders to make payments to the Indenture Trustee, and, in the event the Indenture Trustee shall consent to the making of payments directly to such Noteholders, to pay to the Indenture Trustee such amounts as shall be sufficient to cover reasonable compensation to the Indenture Trustee, each predecessor Indenture Trustee and their respective agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Indenture Trustee and each predecessor Indenture Trustee, except as a result of negligence, willful misconduct or bad faith.

(e) Nothing herein contained shall be deemed to authorize the Indenture Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Noteholder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Noteholder thereof or to authorize the Indenture Trustee to vote in respect of the claim of any Noteholder in any such proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

(f) All rights of action and of asserting claims under this Indenture, or under any of the Notes, may be enforced by the Indenture Trustee without the possession of any of the Notes or the production thereof in any trial or other Proceedings relative thereto, and any such action or proceedings instituted by the Indenture Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment, subject to the payment of the expenses, disbursements and compensation of the Indenture Trustee, each predecessor Indenture Trustee

and their respective agents and attorneys, shall be for the ratable benefit of the Holders of the Term Notes and the Variable Pay Revolving Notes, as applicable.

(g) In any Proceedings to which the Indenture Trustee shall be a party (including any Proceedings involving the interpretation of any provision of this Indenture), the Indenture Trustee shall be held to represent all Noteholders, and it shall not be necessary to make any Noteholder a party to any such Proceedings.

Section 5.04 Remedies; Priorities.

(a) If an Event of Default shall have occurred and be continuing, then the Indenture Trustee, subject to the provisions of Section 10.17 hereof, with the written consent of the Enhancer may, or, at the written direction of the Enhancer, shall, do one or more of the following, in each case subject to Section 5.05:

(i) institute Proceedings in its own name and as trustee of an express trust for the collection of all amounts then payable on the Notes or under this Indenture with respect thereto, whether by declaration or otherwise, and all amounts payable under the Insurance Agreement, enforce any judgment obtained, and collect from the Issuer and any other obligor on the Notes monies adjudged due;

(ii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Trust Estate;

(iii) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Indenture Trustee and the Noteholders; and

(iv) sell the Trust Estate or any portion thereof or rights or interest therein, at one or more public or private sales called and conducted in any manner permitted by law;

provided, however, that the Indenture Trustee may not sell or otherwise liquidate the Trust Estate following an Event of Default, unless (A) the Indenture Trustee obtains the consent of the Enhancer, which consent will not be unreasonably withheld, and the Noteholders of 100% of the aggregate Note Balance of the Notes, (B) the proceeds of such sale or liquidation distributable to Noteholders are sufficient to discharge in full all amounts then due and unpaid upon the Notes for principal and interest and to reimburse the Enhancer for any amounts drawn under the Policy and any other amounts due the Enhancer under the Insurance Agreement or (C) the Indenture Trustee determines that the Mortgage Loans will not continue to provide sufficient funds for the payment of principal of and interest on the Notes as they would have become due if the Notes had not been declared due and payable, and the Indenture Trustee obtains the consent of the Enhancer, which consent will not be unreasonably withheld, and the Noteholders of 66 2/3% of the aggregate Note Balance of the Notes. In determining such sufficiency or insufficiency with respect to clause (B) and (C) above, the Indenture Trustee may, but need not, obtain and rely, and shall be protected in relying in good faith, upon an opinion of an Independent investment banking or accounting firm of national reputation as to the feasibility of such proposed action

and as to the sufficiency of the Trust Estate for such purpose. Notwithstanding the foregoing, provided that a Servicing Default shall not have occurred, any Sale (as defined in Section 5.15 hereof) of the Trust Estate shall be made subject to the continued servicing of the Mortgage Loans by the Servicer as provided in the Servicing Agreement. Notwithstanding any sale of the Mortgage Loans pursuant to this Section 5.04(a), the Indenture Trustee shall, for so long as any principal or accrued interest on the Notes remains unpaid, continue to act as Indenture Trustee hereunder and to draw amounts payable under the Policy in accordance with its terms.

(b) If the Indenture Trustee collects any money or property pursuant to this Article V, it shall pay out such money or property in the following order:

FIRST: to the Indenture Trustee for amounts due under Section 6.07;

SECOND: to the Noteholders for amounts due and unpaid on the related Notes for interest, including accrued and unpaid interest on the Notes for any prior Payment Date, ratably, without preference or priority of any kind, according to the amounts due and payable on such Notes for interest from amounts available in the Trust Estate for such Noteholders, but excluding any Interest Shortfalls;

THIRD: to the Noteholders for amounts due and unpaid on the related Notes for principal, ratably, without preference or priority of any kind, according to the amounts due and payable on such Notes for principal, from amounts available in the Trust Estate for such Noteholders, until the respective Note Balances of such Notes have been reduced to zero;

FOURTH: to the payment of all amounts due and owing the Enhancer under the Insurance Agreement;

FIFTH: to the Noteholders for amounts due and unpaid on the related Notes for Interest Shortfalls, if any, including any unpaid Interest Shortfalls on the Notes for any prior Payment Date, ratably, without preference or priority of any kind, according to such amounts due and payable from amounts available in the Trust Estate for such Noteholders;

SIXTH: to the Certificate Paying Agent for amounts due under Article VIII of the Trust Agreement; and

SEVENTH: to the payment of the remainder, if any, to the Issuer or any other person legally entitled thereto.

The Indenture Trustee may fix a record date and payment date for any payment to Noteholders pursuant to this Section 5.04. At least 15 days before such record date, the Indenture Trustee shall mail to each Noteholder a notice that states the record date, the payment date and the amount to be paid.

Section 5.05 Optional Preservation of the Trust Estate. If the Notes have been declared due and payable under Section 5.02 following an Event of Default and such declaration and its

consequences have not been rescinded and annulled, the Indenture Trustee may, but need not (but shall at the written direction of the Enhancer), elect to take and maintain possession of the Trust Estate; provided that no such waiver shall be effective following an Early Amortization Event if the requisite consents of the Noteholders and the Enhancer have been obtained with respect to a sale or other liquidation of the Trust Estate pursuant to Section 5.04(a). It is the desire of the parties hereto and the Noteholders that there be at all times sufficient funds for the payment of principal of and interest on the Notes and other obligations of the Issuer including payment to the Enhancer, and the Indenture Trustee shall take such desire into account when determining whether or not to take and maintain possession of the Trust Estate. In determining whether to take and maintain possession of the Trust Estate, the Indenture Trustee may, but need not, obtain and rely, and shall be protected in relying in good faith, upon an opinion of an Independent investment banking or accounting firm of national reputation as to the feasibility of such proposed action and as to the sufficiency of the Trust Estate for such purpose.

Section 5.06 Limitation of Suits. No Noteholder shall have any right to institute any Proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless and subject to the provisions of Section 10.17 hereof:

(a) such Noteholder shall have previously given written notice to the Indenture Trustee of a continuing Event of Default;

(b) the Noteholders of not less than 25% of the aggregate Note Balance of the Notes shall have made written request to the Indenture Trustee to institute such Proceeding in respect of such Event of Default in its own name as Indenture Trustee hereunder;

(c) such Noteholder or Noteholders shall have offered the Indenture Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred by it in complying with such request;

(d) the Indenture Trustee for 60 days after its receipt of such notice, request and offer of indemnity shall have failed to institute such Proceedings; and

(e) no direction inconsistent with such written request shall have been given to the Indenture Trustee during such 60-day period by the Noteholders of a majority of the aggregate Note Balance of the Notes or by the Enhancer.

It is understood and intended that no Noteholder shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Noteholders or to obtain or to seek to obtain priority or preference over any other Noteholders or to enforce any right under this Indenture, except in the manner herein provided.

In the event the Indenture Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Noteholders, each representing less than a majority of the aggregate Note Balance of the Notes, the Indenture Trustee shall act at the direction of the group of Noteholders with the greater Note Balance. In the event that the Indenture Trustee shall

receive conflicting or inconsistent requests and indemnity from two or more groups of Noteholders representing the same Note Balance, then the Indenture Trustee in its sole discretion may determine what action, if any, shall be taken, notwithstanding any other provisions of this Indenture.

Section 5.07 Unconditional Rights of Noteholders to Receive Principal and Interest. Subject to the provisions of this Indenture, the Noteholder of any Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest, if any, on such Note on or after the respective due dates thereof expressed in such Note or in this Indenture and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Noteholder.

Section 5.08 Restoration of Rights and Remedies. If the Indenture Trustee or any Noteholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason or has been determined adversely to the Indenture Trustee or to such Noteholder, then and in every such case the Issuer, the Indenture Trustee and the Noteholders shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Indenture Trustee and the Noteholders shall continue as though no such Proceeding had been instituted.

Section 5.09 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Indenture Trustee, the Enhancer or the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law, in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.10 Delay or Omission Not a Waiver. No delay or omission of the Indenture Trustee, the Enhancer or any Noteholder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article V or by law to the Indenture Trustee or to the Noteholders may be exercised from time to time, and as often as may be deemed expedient, by the Indenture Trustee or by the Noteholders, as the case may be.

Section 5.11 Control by Enhancer or Noteholders. The Enhancer (so long as no Enhancer Default exists) or the Noteholders of a majority of the aggregate Note Balance of Notes with the consent of the Enhancer, shall have the right to direct the time, method and place of conducting any Proceeding for any remedy available to the Indenture Trustee with respect to the Notes or exercising any trust or power conferred on the Indenture Trustee, provided that:

(a) such direction shall not be in conflict with any rule of law or with this Indenture;

(b) subject to the express terms of Section 5.04, any direction to the Indenture Trustee to sell or liquidate the Trust Estate shall be by the Enhancer (so long as no Enhancer Default exists) or by the Noteholders of Notes representing not less than 100% of the aggregate Note Balance of the Notes with the consent of the Enhancer;

(c) if the conditions set forth in Section 5.05 shall have been satisfied and the Indenture Trustee elects to retain the Trust Estate pursuant to such Section, then any direction to the Indenture Trustee by Noteholders of Notes representing less than 100% of the aggregate Note Balance of the Notes to sell or liquidate the Trust Estate shall be of no force and effect; and

(d) the Indenture Trustee may take any other action deemed proper by the Indenture Trustee that is not inconsistent with such direction.

Notwithstanding the rights of Noteholders set forth in this Section, subject to Section 6.01, the Indenture Trustee need not take any action that it determines (in its sole discretion) might involve it in liability or might materially adversely affect the rights of any Noteholders not consenting to such action, unless the Trustee has received satisfactory indemnity from the Enhancer or a Noteholder.

Section 5.12 Waiver of Past Defaults. Prior to the declaration of the acceleration of the maturity of the Notes as provided in Section 5.02, the Enhancer (so long as no Enhancer Default exists) or the Noteholders of not less than a majority of the aggregate Note Balance of the Notes, with the consent of the Enhancer, may waive any past Event of Default and its consequences, except an Event of Default (a) with respect to payment of principal of or interest on any of the Notes or (b) in respect of a covenant or provision hereof that cannot be modified or amended without the consent of the Noteholder of each Note. In the case of any such waiver, the Issuer, the Indenture Trustee and the Noteholders shall be restored to their respective former positions and rights hereunder; but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereto.

Upon any such waiver, any Event of Default arising therefrom shall be deemed to have been cured and not to have occurred, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereto.

Section 5.13 Undertaking for Costs. All parties to this Indenture agree, and each Noteholder by such Noteholder's acceptance of the related Note shall be deemed to have agreed, that any court may in its discretion require, in any Proceeding for the enforcement of any right or remedy under this Indenture, or in any Proceeding against the Indenture Trustee for any action taken, suffered or omitted by it as Indenture Trustee, the filing by any party litigant in such Proceeding of an undertaking to pay the costs of such Proceeding, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such Proceeding, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.13 shall not apply to (a) any Proceeding instituted by the Indenture Trustee, (b) any Proceeding instituted by any Noteholder, or group of Noteholders, in each case holding in the aggregate more than 10% of the aggregate Note Balance of the Notes or (c) any Proceeding instituted by any Noteholder for the

enforcement of the payment of principal of or interest on any Note on or after the respective due dates expressed in such Note and in this Indenture.

Section 5.14 Waiver of Stay or Extension Laws. The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead or in any manner whatsoever, claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not hinder, delay or impede the execution of any power herein granted to the Indenture Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 5.15 Sale of Trust Estate.

(a) The power to effect any sale or other disposition (a "Sale") of any portion of the Trust Estate pursuant to Section 5.04 is expressly subject to the provisions of Section 5.05 and this Section 5.15. The power to effect any such Sale shall not be exhausted by any one or more Sales as to any portion of the Trust Estate remaining unsold, but shall continue unimpaired until the entire Trust Estate shall have been sold or all amounts payable on the Notes and under this Indenture and under the Insurance Agreement shall have been paid. The Indenture Trustee may from time to time postpone any public Sale by public announcement made at the time and place of such Sale. The Indenture Trustee hereby expressly waives its right to any amount fixed by law as compensation for any Sale.

(b) The Indenture Trustee shall not in any private Sale sell the Trust Estate, or any portion thereof, unless:

(i) the Noteholders of all Notes and the Enhancer direct the Indenture Trustee to make such Sale in accordance with the provisions of Section 5.04,

(ii) the proceeds of such Sale would be not less than the entire amount that would be payable to the Noteholders under the Notes, the Certificateholders under the Certificates and the Enhancer in respect of amounts drawn under the Policy and any other amounts due the Enhancer under the Insurance Agreement, in full payment thereof in accordance with Section 5.02, on the Payment Date next succeeding the date of such Sale, or

(iii) the Indenture Trustee determines, in its sole discretion, that the conditions for retention of the Trust Estate set forth in Section 5.05 cannot be satisfied (in making any such determination, the Indenture Trustee may rely and shall be protected in relying in good faith upon an opinion of an Independent investment banking firm obtained and delivered as provided in Section 5.05), and the Enhancer consents to such Sale (which consent shall not be unreasonably withheld), and the Noteholders of Notes representing at least 66 2/3% of the aggregate Note Balance of the Notes consent to such Sale.

The purchase by the Indenture Trustee of all or any portion of the Trust Estate at a private Sale shall not be deemed a Sale or other disposition thereof for purposes of this Section 5.15(b).

(c) Unless the Noteholders and the Enhancer shall have otherwise consented or directed the Indenture Trustee, at any public Sale of all or any portion of the Trust Estate at which a minimum bid equal to or greater than the amount described in paragraph (ii) of Section 5.15(b) has not been established by the Indenture Trustee and no Person bids an amount equal to or greater than such amount, then the Indenture Trustee shall bid an amount at least \$1.00 more than the highest other bid, which bid shall be subject to the provisions of Section 5.15(d)(ii) herein.

(d) In connection with a Sale of all or any portion of the Trust Estate:

(i) any Noteholder may bid for and, with the consent of the Enhancer, purchase the property offered for sale, and upon compliance with the terms of sale may hold, retain and possess and dispose of such property, without further accountability, and may, in paying the purchase money therefor, deliver any Notes or claims for interest thereon in lieu of cash up to the amount which shall, upon distribution of the net proceeds of such sale, be payable thereon, and such Notes, in case the amounts so payable thereon shall be less than the amount due thereon, shall be returned to the Noteholders thereof after being appropriately stamped to show such partial payment;

(ii) the Indenture Trustee may bid for and acquire the property offered for Sale in connection with any Sale thereof and, subject to any requirements of, and to the extent permitted by, applicable law in connection therewith, may purchase all or any portion of the Trust Estate in a private sale. In lieu of paying cash therefor, the Indenture Trustee may make settlement for the purchase price by crediting the gross Sale price against the sum of (A) the amount that would be distributable to the Noteholders and the Certificateholders and amounts owing to the Enhancer as a result of such Sale in accordance with Section 5.04(b) on the Payment Date next succeeding the date of such Sale and (B) the expenses of the Sale and of any Proceedings in connection therewith that are reimbursable to it, without being required to produce the Notes in order to complete any such Sale or in order for the net Sale price to be credited against such Notes, and any property so acquired by the Indenture Trustee shall be held and dealt with by it in accordance with the provisions of this Indenture;

(iii) the Indenture Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Trust Estate in connection with a Sale thereof;

(iv) the Indenture Trustee is hereby irrevocably appointed the agent and attorney-in-fact of the Issuer to transfer and convey its interest in any portion of the Trust Estate in connection with a Sale thereof, and to take all action necessary to effect such Sale; and

(v) no purchaser or transferee at such a Sale shall be bound to ascertain the Indenture Trustee's authority, inquire into the satisfaction of any conditions precedent or see to the application of any monies.

Section 5.16 Action on Notes. The Indenture Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking, obtaining or application of any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Indenture Trustee or the Noteholders shall be impaired by the recovery of any judgment by the Indenture Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Trust Estate or upon any of the assets of the Issuer. Any money or property collected by the Indenture Trustee shall be applied in accordance with Section 5.04(b).

Section 5.17 Performance and Enforcement of Certain Obligations.

(a) Promptly following a written request from the Enhancer or the Indenture Trustee (with the written consent of the Enhancer), the Issuer, in its capacity as owner of the Mortgage Loans, shall, with the written consent of the Enhancer, take all such lawful action as the Indenture Trustee may request to cause the Issuer to compel or secure the performance and observance by the Sellers and the Servicer, as applicable, of each of their obligations to the Issuer under or in connection with the Purchase Agreement and the Servicing Agreement, and to exercise any and all rights, remedies, powers and privileges lawfully available to the Issuer under or in connection with the Purchase Agreement and the Servicing Agreement to the extent and in the manner directed by the Indenture Trustee, as pledgee of the Mortgage Loans, including the transmission of notices of default on the part of the Sellers or the Servicer thereunder and the institution of legal or administrative actions or proceedings to compel or secure performance by the Sellers or the Servicer of each of their obligations under the Purchase Agreement and the Servicing Agreement.

(b) If an Event of Default shall have occurred and be continuing, the Indenture Trustee, as pledgee of the Mortgage Loans, subject to the rights of the Enhancer under the Servicing Agreement, may, and at the direction (which direction shall be in writing or by telephone (confirmed in writing promptly thereafter)) of the Noteholders of 66 2/3% of the aggregate Note Balance of the Notes, shall, exercise all rights, remedies, powers, privileges and claims of the Issuer against the Sellers or the Servicer under or in connection with the Purchase Agreement and the Servicing Agreement, including the right or power to take any action to compel or secure performance or observance by the Sellers or the Servicer, as the case may be, of each of their obligations to the Issuer thereunder and to give any consent, request, notice, direction, approval, extension or waiver under the Purchase Agreement and the Servicing Agreement, as the case may be, and any right of the Issuer to take such action shall not be suspended. In connection therewith, as determined by the Indenture Trustee, the Issuer shall take all actions necessary to effect the transfer of the Mortgage Loans to the Indenture Trustee.

ARTICLE VI

The Indenture Trustee

Section 6.01 Duties of Indenture Trustee.

(a) If an Event of Default shall have occurred and be continuing, the Indenture Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Indenture Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Indenture Trustee; and

(ii) in the absence of bad faith on its part, the Indenture Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates, reports or opinions furnished to the Indenture Trustee and conforming to the requirements of this Indenture; provided, however, that the Indenture Trustee shall examine the certificates, reports and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Indenture Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of Section 6.01(a);

(ii) the Indenture Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer unless it is proved that the Indenture Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Indenture Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 5.11 or any direction from the Enhancer that the Enhancer is entitled to give under any of the Basic Documents.

(d) The Indenture Trustee shall not be liable for interest on any money received by it except as the Indenture Trustee may agree in writing with the Issuer.

(e) Money held in trust by the Indenture Trustee need not be segregated from other funds except to the extent required by law or the terms of this Indenture or the Trust Agreement.

(f) No provision of this Indenture shall require the Indenture Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties

hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Indenture Trustee shall be subject to the provisions of this Section and to the provisions of TIA.

(h) With respect to each Payment Date, on the Business Day following the related Determination Date, the Indenture Trustee shall forward or cause to be forwarded by mail, or other mutually agreed-upon method, to the Enhancer and the Servicer, a statement setting forth, to the extent applicable, (i) during the Pre-Funding Period, the Pre-Funded Amount as of such Payment Date and any transfers of funds in connection therewith, and (ii) during the Revolving Period, the amount of Principal Collections to be deposited into the Funding Account (including the Reserve Sub-Account) in respect of such Payment Date, and the amount on deposit in the Funding Account (including the Reserve Sub-Account) as of such Payment Date, after giving effect to any amounts so deposited therein.

(i) The Indenture Trustee hereby accepts appointment as Certificate Paying Agent under the Trust Agreement and agrees to be bound by the provisions of the Trust Agreement relating to the Certificate Paying Agent. The Indenture Trustee hereby agrees to be bound by the provisions of Article IX of the Trust Agreement.

(j) The Indenture Trustee shall not be required to take notice or be deemed to have notice or knowledge of any Event of Default (except for an Event of Default specified in clause (a) of the definition thereof) unless a Responsible Officer of the Indenture Trustee shall have received written notice or have actual knowledge thereof. In the absence of receipt of such notice or such knowledge, the Indenture Trustee may conclusively assume that there is no default or Event of Default.

(k) The Indenture Trustee shall have no duty to see to any recording or filing of any financing statement or continuation statement evidencing a security interest or to see to the maintenance of any such recording or filing or to any rerecording or refiling of any thereof.

Section 6.02 Rights of Indenture Trustee.

(a) The Indenture Trustee may rely and shall be protected in acting or refraining from acting in good faith upon any resolution, Officer's Certificate, opinion of counsel, certificate of auditors, or any other certificate, statement, instrument, report, notice, consent or other document believed by it to be genuine and to have been signed or presented by the proper person. The Indenture Trustee need not investigate any fact or matter stated in any such document.

(b) Before the Indenture Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel. The Indenture Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on any such Officer's Certificate or Opinion of Counsel.

(c) The Indenture Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys or a custodian or nominee, and the Indenture Trustee shall not be responsible for any misconduct or negligence on the part of, or for the supervision of, any such agent, attorney, custodian or nominee appointed with due care by it hereunder.

(d) The Indenture Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; provided, however, that the Indenture Trustee's conduct does not constitute willful misconduct, negligence or bad faith.

(e) The Indenture Trustee may consult with counsel, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The Indenture Trustee shall not be personally liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture, unless it shall be proved that the Indenture Trustee was negligent in ascertaining the pertinent facts.

(g) Prior to the occurrence of an Event of Default hereunder, and after the curing or waiver of all Events of Default that may have occurred, the Indenture Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or document, unless requested in writing to do so by the Enhancer or the Noteholders representing a majority of the aggregate Note Balance; provided, however, that if the payment within a reasonable time to the Indenture Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Indenture Trustee, not assured to the Indenture Trustee by the security afforded to it by the terms of this Indenture, the Indenture Trustee may require indemnity satisfactory to the Indenture Trustee against such cost, expense or liability as a condition to taking any such action.

(h) The Indenture Trustee shall be under no obligation to exercise any of the trusts or powers vested in it by this Indenture or to institute, conduct or defend any litigation hereunder or in relation hereto at the request, order or direction of any of the Enhancer or the Noteholders, pursuant to the provisions of this Indenture, unless the Enhancer or the Noteholders shall have offered to the Indenture Trustee reasonable security or indemnity against the costs, expenses and liabilities which may be incurred therein or thereby; nothing contained herein shall, however, relieve the Indenture Trustee of the obligation, upon the occurrence of an Event of Default (which has not been cured or waived), to exercise such of the rights and powers vested in it by this Indenture, and to use the same degree of care and skill in their exercise as a prudent investor would exercise or use under the circumstances in the conduct of such investor's own affairs.

Section 6.03 Individual Rights of Indenture Trustee. The Indenture Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Indenture Trustee. Any Note Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Indenture Trustee must comply with Sections 6.11 and 6.12.

Section 6.04 Indenture Trustee's Disclaimer. The Indenture Trustee shall not be (i) responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, (ii) accountable for the Issuer's use of the proceeds from the Notes or (iii) responsible for any statement of the Issuer in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes, other than the Indenture Trustee's certificate of authentication thereon.

Section 6.05 Notice of Event of Default. If an Event of Default shall occur and be continuing, and if such Event of Default is known to a Responsible Officer of the Indenture Trustee, then the Indenture Trustee shall give prompt notice thereof to the Enhancer. The Indenture Trustee shall mail to each Noteholder notice of such Event of Default within 90 days after it occurs. Except in the case of an Event of Default with respect to the payment of principal of or interest on any Note, the Indenture Trustee may withhold such notice if and so long as a committee of its Responsible Officers in good faith determines that withholding such notice is in the interests of the Noteholders.

Section 6.06 Reports by Indenture Trustee to Noteholders. The Indenture Trustee shall deliver to each Noteholder such information as may be required to enable such Noteholder to prepare its federal and state income tax returns. In addition, upon Issuer Request, the Indenture Trustee shall promptly furnish such information reasonably requested by the Issuer that is reasonably available to the Indenture Trustee to enable the Issuer to perform its federal and state income tax reporting obligations.

Section 6.07 Compensation and Indemnity. The Indenture Trustee shall be compensated and indemnified by the Servicer in accordance with Section 6.06 of the Servicing Agreement. All amounts owing the Indenture Trustee hereunder in excess of such amount, as well as any amount owed to the Indenture Trustee in accordance with Section 6.06 of the Servicing Agreement, to the extent the Servicer has failed to pay such amount, shall be paid solely as provided in Section 3.05 hereof (subject to the priorities set forth therein). The Indenture Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Indenture Trustee for all reasonable out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee's agents, counsel, accountants and experts. The Issuer shall indemnify the Indenture Trustee against any and all loss, liability or expense (including attorneys' fees) incurred by it in connection with the administration of this trust and the performance of its duties hereunder. The Indenture Trustee shall notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Indenture Trustee to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer shall defend any such claim, and the Indenture Trustee may have separate counsel and the Issuer shall pay the

fees and expenses of such counsel. The Issuer is not obligated to reimburse any expense or indemnify against any loss, liability or expense incurred by the Indenture Trustee through the Indenture Trustee's own willful misconduct, negligence or bad faith.

The Issuer's payment obligations to the Indenture Trustee pursuant to this Section 6.07 shall survive the discharge of this Indenture. When the Indenture Trustee incurs expenses after the occurrence of an Event of Default specified in clause (c) or (d) of the definition thereof with respect to the Issuer, such expenses are intended to constitute expenses of administration under Title 11 of the United States Code or any other applicable federal or state bankruptcy, insolvency or similar law.

Section 6.08 Replacement of Indenture Trustee. No resignation or removal of the Indenture Trustee and no appointment of a successor Indenture Trustee shall become effective until the acceptance of appointment by the successor Indenture Trustee pursuant to this Section 6.08. The Indenture Trustee may resign at any time by so notifying the Issuer and the Enhancer. The Enhancer or the Noteholders of a majority of the aggregate Note Balance of the Notes may remove the Indenture Trustee by so notifying the Indenture Trustee and the Enhancer (if given by such Noteholders) and may appoint a successor Indenture Trustee. Unless a Servicer Default has occurred and is continuing, the appointment of any successor Indenture Trustee shall be subject to the prior written approval of the Servicer. The Issuer shall remove the Indenture Trustee if:

- (a) the Indenture Trustee fails to comply with Section 6.11;
- (b) the Indenture Trustee is adjudged a bankrupt or insolvent;
- (c) a receiver or other public officer takes charge of the Indenture Trustee or its property; or
- (d) the Indenture Trustee otherwise becomes incapable of fulfilling its duties under the Basic Documents.

If the Indenture Trustee resigns or is removed or if a vacancy exists in the office of the Indenture Trustee for any reason (the Indenture Trustee in such event being referred to herein as the retiring Indenture Trustee), the Issuer shall promptly appoint a successor Indenture Trustee with the consent of the Enhancer, which consent shall not be unreasonably withheld. In addition, the Indenture Trustee shall resign to avoid being directly or indirectly controlled by the Issuer.

A successor Indenture Trustee shall deliver a written acceptance of its appointment to the retiring Indenture Trustee and to the Issuer. Thereupon, the resignation or removal of the retiring Indenture Trustee shall become effective, and the successor Indenture Trustee shall have all the rights, powers and duties of the Indenture Trustee under this Indenture. The successor Indenture Trustee shall mail a notice of its succession to the Noteholders. The retiring Indenture Trustee shall promptly transfer all property held by it as Indenture Trustee to the successor Indenture Trustee.

If a successor Indenture Trustee does not take office within 60 days after the retiring Indenture Trustee resigns or is removed, then the retiring Indenture Trustee, the Issuer or the Noteholders of a majority of aggregate Note Balance of the Notes may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

If the Indenture Trustee fails to comply with Section 6.11, any Noteholder may petition any court of competent jurisdiction for the removal of the Indenture Trustee and the appointment of a successor Indenture Trustee.

Notwithstanding the replacement of the Indenture Trustee pursuant to this Section, the Issuer's obligations under Section 6.07 shall continue for the benefit of the retiring Indenture Trustee.

Section 6.09 Successor Indenture Trustee by Merger. If the Indenture Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, then the resulting, surviving or transferee corporation without any further act shall be the successor Indenture Trustee; provided, that such corporation or banking association shall be otherwise qualified and eligible under Section 6.11. The Indenture Trustee shall provide the Rating Agencies with written notice of any such transaction occurring after the Closing Date.

If at the time of any such succession by merger, conversion or consolidation, any of the Notes shall have been authenticated but not delivered, then any such successor to the Indenture Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated. If at such time any of the Notes shall not have been authenticated, any successor to the Indenture Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Indenture Trustee; and in all such cases, such certificates shall have the full force that it is anywhere in the Notes or in this Indenture provided that the certificate of the Indenture Trustee shall have.

Section 6.10 Appointment of Co-Indenture Trustee or Separate Indenture Trustee.

(a) Notwithstanding any other provisions of this Indenture, at any time, for the purpose of meeting any legal requirement of any jurisdiction in which any part of the Trust Estate may at such time be located, the Indenture Trustee shall have the power and may execute and deliver all instruments to appoint one or more Persons to act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of the Issuer, and to vest in such Person or Persons, in such capacity and for the benefit of the Noteholders, such title to the Trust Estate, or any part thereof, and, subject to the other provisions of this Section, such powers, duties, obligations, rights and trusts as the Indenture Trustee may consider necessary or desirable. No co trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 6.11, and no notice to Noteholders of the appointment of any co trustee or separate trustee shall be required under Section 6.08 hereof.

(b) Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(i) all rights, powers, duties and obligations conferred or imposed upon the Indenture Trustee shall be conferred or imposed upon and exercised or performed by the Indenture Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Indenture Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed the Indenture Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Trust Estate or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Indenture Trustee;

(ii) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(iii) the Indenture Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Indenture Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article VI. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Indenture Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection to, the Indenture Trustee. Every such instrument shall be filed with the Indenture Trustee.

(d) Any separate trustee or co-trustee may at any time constitute the Indenture Trustee, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Indenture Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

Section 6.11 Eligibility; Disqualification. The Indenture Trustee shall at all times satisfy the requirements of TIA § 310(a). The Indenture Trustee shall have a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition and it or its parent shall have a long-term debt rating of "A" or better by Moody's. The Indenture Trustee shall comply with TIA § 310(b), including the optional provision permitted by the second sentence of TIA § 310(b)(9); provided, however, that there shall be excluded from the operation of TIA § 310(b)(1) any indenture or indentures under which other securities of the Issuer are outstanding if the requirements for such exclusion set forth in TIA § 310(b)(1) are met.

Section 6.12 Preferential Collection of Claims Against Issuer. The Indenture Trustee shall comply with TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). An Indenture Trustee that has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated.

Section 6.13 Representations and Warranties. The Indenture Trustee hereby represents and warrants that:

(a) The Indenture Trustee is duly organized, validly existing and in good standing as a national banking association with power and authority to own its properties and to conduct its business as such properties are currently owned and such business is currently conducted.

(b) The Indenture Trustee has the power and authority to execute and deliver this Indenture and to carry out its terms; and the execution, delivery and performance of this Indenture have been duly authorized by the Indenture Trustee by all necessary corporate action.

(c) The consummation of the transactions contemplated by this Indenture and the fulfillment of the terms hereof do not conflict with, result in any breach of any of the terms and provisions of, or constitute (with or without notice or lapse of time) a default under, the articles of organization or bylaws of the Indenture Trustee or any agreement or other instrument to which the Indenture Trustee is a party or by which it is bound.

(d) To the Indenture Trustee's best knowledge, there are no Proceedings or investigations pending or threatened before any court, regulatory body, administrative agency or other governmental instrumentality having jurisdiction over the Indenture Trustee or its properties (A) asserting the invalidity of this Indenture, (B) seeking to prevent the consummation of any of the transactions contemplated by this Indenture or (C) seeking any determination or ruling that might materially and adversely affect the performance by the Indenture Trustee of its obligations under, or the validity or enforceability of, this Indenture.

(e) The Indenture Trustee does not have notice of any adverse claim (as such terms are used in Section 8-302 of the UCC in effect in the State of Delaware) with respect to the Mortgage Loans.

Section 6.14 Directions to Indenture Trustee. The Indenture Trustee is hereby directed:

(a) to accept the pledge of the Mortgage Loans and hold the assets of the Trust in trust for the Noteholders and the Enhancer;

(b) to authenticate and deliver the Notes substantially in the form prescribed by Exhibit A in accordance with the terms of this Indenture; and

(c) to take all other actions as shall be required to be taken by the terms of this Indenture.

Section 6.15 Indenture Trustee May Own Securities. The Indenture Trustee, in its individual or any other capacity, may become the owner or pledgee of Securities with the same rights it would have if it were not Indenture Trustee.

ARTICLE VII

Noteholders' Lists and Reports

Section 7.01 Issuer to Furnish Indenture Trustee Names and Addresses of Noteholders. The Issuer shall furnish or cause to be furnished to the Indenture Trustee (a) not more than five days after each Record Date, a list, in such form as the Indenture Trustee may reasonably require, of the names and addresses of the Noteholders as of such Record Date, and (b) at such other times as the Indenture Trustee and the Enhancer may request in writing, within 30 days after receipt by the Issuer of any such request, a list of similar form and content as of a date not more than 10 days prior to the time such list is furnished; provided, however, that for so long as the Indenture Trustee is the Note Registrar, no such list need be furnished.

Section 7.02 Preservation of Information; Communications to Noteholders.

(a) The Indenture Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of the Noteholders contained in the most recent list furnished to the Indenture Trustee as provided in Section 7.01 and the names and addresses of the Noteholders received by the Indenture Trustee in its capacity as Note Registrar. The Indenture Trustee may destroy any list furnished to it as provided in such Section 7.01 upon receipt of a new list so furnished.

(b) Noteholders may communicate pursuant to TIA § 312(b) with other Noteholders with respect to their rights under this Indenture or under the Notes.

(c) The Issuer, the Indenture Trustee and the Note Registrar shall have the protection of TIA § 312(c).

Section 7.03 Reports by Issuer.

(a) The Issuer shall:

(i) file with the Indenture Trustee, within 15 days after the Issuer is required to file the same with the Commission, copies of the annual reports and the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) that the Issuer may be required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act;

(ii) file with the Indenture Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Issuer

with the conditions and covenants of this Indenture as may be required from time to time by such rules and regulations; and

(iii) supply to the Indenture Trustee (and the Indenture Trustee shall transmit by mail to all Noteholders described in TIA § 313(c)) such summaries of any information, documents and reports required to be filed by the Issuer pursuant to clauses (i) and (ii) of this Section 7.03(a) and by rules and regulations prescribed from time to time by the Commission.

(b) Unless the Issuer otherwise determines, the fiscal year of the Issuer shall end on December 31 of each year.

Section 7.04 Reports by Indenture Trustee. If required by TIA § 313(a), within 60 days after each January 1, beginning with January 1, 2005, the Indenture Trustee shall make available to each Noteholder as required by TIA § 313(c) and to the Enhancer a brief report dated as of such date that complies with TIA § 313(a). The Indenture Trustee also shall comply with TIA § 313(b).

A copy of each report at the time of its distribution to Noteholders shall be filed by the Indenture Trustee with the Commission, if required, and each stock exchange, if any, on which the Term Notes are listed. The Issuer shall notify the Indenture Trustee if and when the Term Notes are listed on any stock exchange.

ARTICLE VIII

Accounts, Disbursements and Releases

Section 8.01 Collection of Money. Except as otherwise expressly provided herein, the Indenture Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all money and other property payable to or receivable by the Indenture Trustee pursuant to this Indenture. The Indenture Trustee shall apply all such money received by it as provided in this Indenture. Except as otherwise expressly provided in this Indenture, if any default occurs in the making of any payment or performance under any agreement or instrument that is part of the Trust Estate, the Indenture Trustee may take such action as may be appropriate to enforce such payment or performance, including the institution and prosecution of appropriate Proceedings. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture and any right to proceed thereafter as provided in Article V.

Section 8.02 Trust Accounts.

(a) On or prior to the Closing Date, the Issuer shall cause the Indenture Trustee to establish and maintain, in the name of the Indenture Trustee, for the benefit of the Noteholders, the Certificate Paying Agent, on behalf of the Certificateholders, and the Enhancer, the Note Payment Account as provided in Section 3.01 of this Indenture and the Reserve Sub-Account.

(b) All monies deposited from time to time in the Note Payment Account pursuant to the Servicing Agreement and all deposits therein pursuant to this Indenture are for the benefit of the Noteholders and the Certificate Paying Agent, on behalf of the Certificateholders, and all investments made with such monies, including all income or other gain from such investments, are for the benefit of the Servicer as provided in Section 5.01 of the Servicing Agreement.

On each Payment Date, the Indenture Trustee shall distribute all amounts on deposit in the Note Payment Account to the Noteholders in respect of the Notes and, in its capacity as Certificate Paying Agent, to the Certificateholders from the Distribution Account in the order of priority set forth in Section 3.05 (except as otherwise provided in Section 5.04(b)) and in accordance with the Servicing Certificate.

All monies deposited from time to time in the Reserve Sub-Account pursuant to this Indenture are for the benefit of the Noteholders and the Enhancer, and all investments made with such monies, including all income or other gain from such investments, are for the benefit of the Noteholders.

The Indenture Trustee shall invest any funds in the Note Payment Account and the Reserve Sub-Account in Permitted Investments selected in writing by the Servicer maturing no later than the Business Day preceding the next succeeding Payment Date (except that any investment in the institution with which the Note Payment Account is maintained may mature on such Payment Date) and shall not be sold or disposed of prior to the maturity. In addition, such Permitted Investments shall not be purchased at a price in excess of par. The Indenture Trustee shall have no liability whatsoever for investment losses on Permitted Investments, if such investments are made in accordance with the provisions of this Indenture and the Indenture Trustee is not the obligor under the Permitted Investment.

Section 8.03 Officer's Certificate. The Indenture Trustee shall receive at least seven days' notice when requested by the Issuer to take any action pursuant to Section 8.05(a), accompanied by copies of any instruments to be executed, and the Indenture Trustee shall also require, as a condition to such action, an Officer's Certificate, in form and substance satisfactory to the Indenture Trustee, stating the legal effect of any such action, outlining the steps required to complete the same, and concluding that all conditions precedent to the taking of such action have been complied with.

Section 8.04 Termination Upon Distribution to Noteholders. This Indenture and the respective obligations and responsibilities of the Issuer and the Indenture Trustee created hereby shall terminate upon the distribution to the Noteholders, the Certificate Paying Agent on behalf of the Certificateholders and the Indenture Trustee of all amounts required to be distributed pursuant to Article III; provided, however, that in no event shall the trust created hereby continue beyond the expiration of 21 years from the death of the survivor of the descendants of Joseph P. Kennedy, the late ambassador of the United States to the Court of St. James's, living on the date hereof.

Section 8.05 Release of Trust Estate.

(a) Subject to the payment of its fees, expenses and indemnification, the Indenture Trustee may, and when required by the provisions of this Indenture or the Servicing Agreement, shall, execute instruments to release property from the lien of this Indenture, or convey the Indenture Trustee's interest in the same, in a manner and under circumstances that are not inconsistent with the provisions of this Indenture. No Person relying upon an instrument executed by the Indenture Trustee as provided in Article VIII hereunder shall be bound to ascertain the Indenture Trustee's authority, inquire into the satisfaction of any conditions precedent, or see to the application of any monies.

(b) The Indenture Trustee shall, at such time as (i) there are no Notes Outstanding, (ii) all sums due the Indenture Trustee pursuant to this Indenture have been paid and (iii) all sums due the Enhancer have been paid, release any remaining portion of the Trust Estate that secured the Notes from the lien of this Indenture.

(c) The Indenture Trustee shall release property from the lien of this Indenture pursuant to this Section 8.05 only upon receipt of an Issuer Request accompanied by an Officers' Certificate and a letter from the Enhancer stating that the Enhancer has no objection to such request from the Issuer.

(d) The Indenture Trustee shall, at the request of the Issuer or the Depositor, surrender the Policy to the Enhancer for cancellation, upon final payment of principal of and interest on the Notes.

Section 8.06 Surrender of Notes Upon Final Payment. By acceptance of any Note, the Noteholder thereof agrees to surrender such Note to the Indenture Trustee promptly, prior to such Noteholder's receipt of the final payment thereon.

ARTICLE IX

Supplemental Indentures

Section 9.01 Supplemental Indentures Without Consent of Noteholders.

(a) Without the consent of the Noteholders of any Notes, but with prior notice to the Rating Agencies and the prior written consent of the Enhancer (which consent shall not be unreasonably withheld and so long as no Enhancer Default exists), the Issuer and the Indenture Trustee, when authorized by an Issuer Request, at any time and from time to time, may enter into one or more indentures supplemental hereto (which shall conform to the provisions of the Trust Indenture Act as in force at the date of the execution thereof), in form satisfactory to the Indenture Trustee, for any of the following purposes:

(i) to correct or amplify the description of any property at any time subject to the lien of this Indenture, or better to assure, convey and confirm unto the Indenture Trustee any property subject or required to be subjected to the lien of this Indenture, or to subject to the lien of this Indenture additional property;

(ii) to evidence the succession, in compliance with the applicable provisions hereof, of another Person to the Issuer, and the assumption by any such successor of the covenants of the Issuer herein and in the Notes contained;

(iii) to add to the covenants of the Issuer, for the benefit of the Noteholders or the Enhancer, or to surrender any right or power herein conferred upon the Issuer;

(iv) to convey, transfer, assign, mortgage or pledge any property to or with the Indenture Trustee;

(v) to cure any ambiguity, to correct any error or to correct or supplement any provision herein or in any supplemental indenture that may be inconsistent with any other provision herein or in any supplemental indenture;

(vi) to make any other provisions with respect to matters or questions arising under this Indenture or in any supplemental indenture; provided, that such action shall not materially and adversely affect the interests of the Noteholders or the Enhancer (as evidenced by an Opinion of Counsel);

(vii) to evidence and provide for the acceptance of the appointment hereunder by a successor trustee with respect to the Notes and to add to or change any of the provisions of this Indenture as shall be necessary to facilitate the administration of the trusts hereunder by more than one trustee, pursuant to the requirements of Article VI; or

(viii) to modify, eliminate or add to the provisions of this Indenture to such extent as shall be necessary to effect the qualification of this Indenture under TIA or under any similar federal statute hereafter enacted and to add to this Indenture such other provisions as may be expressly required by TIA;

provided, however, that no such supplemental indenture shall be entered into unless the Indenture Trustee shall have received an Opinion of Counsel to the effect that the execution of such supplemental indenture will not give rise to any material adverse tax consequence to the Noteholders.

The Indenture Trustee is hereby authorized to join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations that may be therein contained.

(b) The Issuer and the Indenture Trustee, when authorized by an Issuer Request, may, without the consent of any Noteholder but with prior notice to the Rating Agencies and the Enhancer, enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Noteholders under this Indenture; provided, however, that such action shall not, as evidenced by an Opinion of Counsel, (i) adversely affect in any material respect the interests of any Noteholder or the Enhancer or (ii) cause the Issuer to be subject to an entity level tax.

Section 9.02 Supplemental Indentures With Consent of Noteholders. The Issuer and the Indenture Trustee, when authorized by an Issuer Request, may, with prior notice to the Rating Agencies and with the consent of the Enhancer and the Noteholders of not less than a majority of the Note Balances of each Class of Notes affected thereby, by Act (as defined in Section 10.03 hereof) of such Noteholders delivered to the Issuer and the Indenture Trustee, enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Noteholders under this Indenture; provided, however, that no such supplemental indenture shall, without the consent of the Noteholder of each Note affected thereby:

(a) change the date of payment of any installment of principal of or interest on any Note, or reduce the principal amount thereof or the Note Rate thereon, change the provisions of this Indenture relating to the application of collections on, or the proceeds of the sale of, the Trust Estate to payment of principal of or interest on the Notes, or change any place of payment where, or the coin or currency in which, any Note or the interest thereon is payable, or impair the right to institute suit for the enforcement of the provisions of this Indenture requiring the application of funds available therefor, as provided in Article V, to the payment of any such amount due on the Notes on or after the respective due dates thereof;

(b) reduce the percentage of the Note Balances of any Class of Notes, the consent of the Noteholders of which is required for any such supplemental indenture, or the consent of the Noteholders of which is required for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences provided for in this Indenture;

(c) modify or alter the provisions of the proviso to the definition of the term "Outstanding" or modify or alter the exception in the definition of the term "Noteholder";

(d) reduce the percentage of the aggregate Note Balance of the Notes required to direct the Indenture Trustee to direct the Issuer to sell or liquidate the Trust Estate pursuant to Section 5.04;

(e) modify any provision of this Section 9.02 except to increase any percentage specified herein or to provide that certain additional provisions of this Indenture or the other Basic Documents cannot be modified or waived without the consent of the Noteholder of each Note affected thereby;

(f) modify any of the provisions of this Indenture in such manner as to affect the calculation of the amount of any payment of interest or principal due on any Note on any Payment Date (including the calculation of any of the individual components of such calculation); or

(g) permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Trust Estate or, except as otherwise permitted or contemplated herein, terminate the lien of this Indenture on any property at any time subject hereto or deprive the Noteholder of any Note of the security provided by the lien of this

Indenture; and provided further, that such action shall not, as evidenced by an Opinion of Counsel, cause the Issuer to be subject to an entity level tax.

The Indenture Trustee may in its discretion determine whether or not any Notes would be affected by any supplemental indenture and any such determination shall be conclusive upon the Noteholders of all Notes, whether theretofore or thereafter authenticated and delivered hereunder. The Indenture Trustee shall not be liable for any such determination made in good faith.

It shall not be necessary for any Act (as defined in Section 10.03 hereof) of Noteholders under this Section 9.02 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

Promptly after the execution by the Issuer and the Indenture Trustee of any supplemental indenture pursuant to this Section 9.02, the Indenture Trustee shall mail to the Noteholders of the Notes to which such amendment or supplemental indenture relates a notice setting forth in general terms the substance of such supplemental indenture. Any failure of the Indenture Trustee to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

Section 9.03 Execution of Supplemental Indentures. In executing, or permitting the additional trusts created by, any supplemental indenture permitted by this Article IX or the modification thereby of the trusts created by this Indenture, the Indenture Trustee shall be entitled to receive and, subject to Sections 6.01 and 6.02, shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Indenture Trustee may, but shall not be obligated to, enter into any such supplemental indenture that affects the Indenture Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise.

Section 9.04 Effect of Supplemental Indenture. Upon the execution of any supplemental indenture pursuant to the provisions hereof, this Indenture shall be and shall be deemed to be modified and amended in accordance therewith with respect to the Notes affected thereby, and the respective rights, limitations of rights, obligations, duties, liabilities and immunities under this Indenture of the Indenture Trustee, the Issuer and the Noteholders shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 9.05 Conformity with Trust Indenture Act. Every amendment of this Indenture and every supplemental indenture executed pursuant to this Article IX shall conform to the requirements of TIA as in effect at the time of such amendment or supplement so long as this Indenture shall then be qualified under TIA.

Section 9.06 Reference in Notes to Supplemental Indentures. Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article IX may, and

if required by the Indenture Trustee, shall, bear a notation in form approved by the Indenture Trustee as to any matter provided for in such supplemental indenture. If the Issuer or the Indenture Trustee shall so determine, new Notes so modified as to conform, in the opinion of the Indenture Trustee and the Issuer, to any such supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Indenture Trustee in exchange for Outstanding Notes.

ARTICLE X

Miscellaneous

(a) Upon any application or request by the Issuer to the Indenture Trustee to take any action under any provision of this Indenture, the Issuer shall furnish to the Indenture Trustee and to the Enhancer (i) an Officer's Certificate stating that all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with and (ii) an Opinion of Counsel stating that in the opinion of such counsel all such conditions precedent, if any, have been complied with, except that, in the case of any such application or request as to which the furnishing of such documents is specifically required by any provision of this Indenture, no additional certificate or opinion need be furnished.

Every certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture shall include:

(i) a statement that each signatory of such certificate or opinion has read or has caused to be read such covenant or condition and the definitions herein relating thereto;

(ii) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(iii) a statement that, in the opinion of each such signatory, such signatory has made such examination or investigation as is necessary to enable such signatory to express an informed opinion as to whether or not such covenant or condition has been complied with;

(iv) a statement as to whether, in the opinion of each such signatory, such condition or covenant has been complied with; and

(v) if the signer of such certificate or opinion is required to be Independent, the statement required by the definition of the term "Independent."

(b) (i) Prior to the deposit of any Collateral or other property or securities with the Indenture Trustee that is to be made the basis for the release of any property or securities subject to the lien of this Indenture, the Issuer shall, in addition to any obligation imposed in

Section 10.01(a) or elsewhere in this Indenture, furnish to the Indenture Trustee an Officer's Certificate certifying or stating the opinion of each person signing such certificate as to the fair value (within 90 days of such deposit) to the Issuer of the Collateral or other property or securities to be so deposited.

(ii) Whenever the Issuer is required to furnish to the Indenture Trustee an Officer's Certificate certifying or stating the opinion of any signer thereof as to the matters described in clause (i) above, the Issuer shall also deliver to the Indenture Trustee an Independent Certificate as to the same matters, if the fair value to the Issuer of the securities to be so deposited and of all other such securities made the basis of any such withdrawal or release since the commencement of the then-current fiscal year of the Issuer, as set forth in the certificates delivered pursuant to clause (i) above and this clause (ii), is 10% or more of the aggregate Note Balance of the Notes, but such a certificate need not be furnished with respect to any securities so deposited, if the fair value thereof to the Issuer as set forth in the related Officer's Certificate is less than \$25,000 or less than one percent of the aggregate Note Balance of the Notes.

(iii) Whenever any property or securities are to be released from the lien of this Indenture, the Issuer shall furnish to the Indenture Trustee an Officer's Certificate certifying or stating the opinion of each person signing such certificate as to the fair value (within 90 days of such release) of the property or securities proposed to be released and stating that in the opinion of such person the proposed release will not impair the security under this Indenture in contravention of the provisions hereof.

(iv) Whenever the Issuer is required to furnish to the Indenture Trustee an Officer's Certificate certifying or stating the opinion of any signer thereof as to the matters described in clause (iii) above, the Issuer shall also furnish to the Indenture Trustee an Independent Certificate as to the same matters if the fair value of the property or securities and of all other property, other than property as contemplated by clause (v) below or securities released from the lien of this Indenture since the commencement of the then-current calendar year, as set forth in the certificates required by clause (iii) above and this clause (iv), equals 10% or more of the aggregate Note Balance of the Notes, but such certificate need not be furnished in the case of any release of property or securities if the fair value thereof as set forth in the related Officer's Certificate is less than \$25,000 or less than one percent of the aggregate Note Balance of the Notes.

(v) Notwithstanding the foregoing, this Section 10.01(b) shall not apply to (A) collection upon, sales or other dispositions of the Mortgage Loans as and to the extent permitted or required by the Basic Documents or (B) the making of cash payments out of the Note Payment Account as and to the extent permitted or required by the Basic Documents, so long as the Issuer shall deliver to the Indenture Trustee every six months, commencing December 31, 2005, an Officer's Certificate of the Issuer stating that all the dispositions of Collateral described in clauses (A) or (B) above that occurred during the preceding six calendar months (or such longer period, in the case of the first such Officer's Certificate) were permitted or required by the Basic Documents and that the proceeds thereof were applied in accordance with the Basic Documents.

Section 10.02 Form of Documents Delivered to Indenture Trustee.

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Authorized Officer of the Issuer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate of an Authorized Officer or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of any Seller or the Issuer, stating that the information with respect to such factual matters is in the possession of any Seller or the Issuer, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture, in connection with any application or certificate or report to the Indenture Trustee, it is provided that the Issuer shall deliver any document as a condition of the granting of such application, or as evidence of the Issuer's compliance with any term hereof, it is intended that the truth and accuracy, at the time of the granting of such application or at the effective date of such certificate or report (as the case may be), of the facts and opinions stated in such document shall in such case be conditions precedent to the right of the Issuer to have such application granted or to the sufficiency of such certificate or report. The foregoing shall not, however, be construed to affect the Indenture Trustee's right to rely upon the truth and accuracy of any statement or opinion contained in any such document as provided in Article VI.

Section 10.03 Acts of Noteholders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Noteholders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Noteholders in person or by agents duly appointed in writing; and except as herein otherwise expressly provided such action shall become effective when such instrument or instruments are delivered to the Indenture Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Noteholders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be

sufficient for any purpose of this Indenture and (subject to Section 6.01) conclusive in favor of the Indenture Trustee and the Issuer, if made in the manner provided in this Section 10.03.

(b) The fact and date of the execution by any person of any such instrument or writing may be proved in any manner that the Indenture Trustee deems sufficient.

(c) The ownership of Notes shall be proved by the Note Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Noteholder of any Note shall bind the Noteholder of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Indenture Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

Section 10.04 Notices, etc., to Indenture Trustee, Issuer, Enhancer and Rating Agencies. Any request, demand, authorization, direction, notice, consent, waiver or Act of Noteholders or other documents provided or permitted by this Indenture shall be in writing and if such request, demand, authorization, direction, notice, consent, waiver or Act of Noteholders is to be made upon, given or furnished to or filed with:

(a) the Indenture Trustee by any Noteholder or by the Issuer shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to or with the Indenture Trustee at its Corporate Trust Office with a copy to Wells Fargo Bank, N.A., 9062 Old Annapolis Road, Columbia, Maryland 21045-1951, Attention: Corporate Trust Services — GMACM — 2005-HE1. The Indenture Trustee shall promptly transmit any notice received by it from the Noteholders to the Issuer,

(b) the Issuer by the Indenture Trustee or by any Noteholder shall be sufficient for every purpose hereunder if in writing and mailed first-class, postage prepaid to the Issuer addressed to: GMACM Home Equity Loan Trust 2005-HE1, in care of the Owner Trustee, or at any other address previously furnished in writing to the Indenture Trustee by the Issuer. The Issuer shall promptly transmit any notice received by it from the Noteholders to the Indenture Trustee, or

(c) the Enhancer by the Issuer, the Indenture Trustee or by any Noteholders shall be sufficient for every purpose hereunder to in writing and mailed, first-class postage pre-paid, or personally delivered or telecopied to: Financial Guaranty Insurance Company, 125 Park Avenue, New York, New York 10017, Attention: Research and Risk Management – Structured Finance (GMACM Home Equity Loan Trust 2005-HE1), telecopier number (212) 312-3000. The Enhancer shall promptly transmit any notice received by it from the Issuer, the Indenture Trustee or the Noteholders to the Issuer or Indenture Trustee, as the case may be.

Notices required to be given to the Rating Agencies by the Issuer, the Indenture Trustee or the Owner Trustee shall be in writing, personally delivered or mailed by certified mail, return receipt requested, to (i) in the case of Moody's, at the following address: Moody's Investors Service, Inc., ABS Monitoring Department, 99 Church Street, New York, New York 10007 and (ii) in the case of Standard & Poor's, at the following address: Standard & Poor's, 55 Water

Street, New York, New York 10041-0003, Attention: Asset Backed Surveillance Department; or, as to each of the foregoing Persons, at such other address as shall be designated by written notice to the other foregoing Persons.

Section 10.05 Notices to Noteholders; Waiver. Where this Indenture provides for notice to Noteholders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class, postage prepaid to each Noteholder affected by such event, at such Person's address as it appears on the Note Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Noteholders is given by mail, neither the failure to mail such notice nor any defect in any notice so mailed to any particular Noteholder shall affect the sufficiency of such notice with respect to other Noteholders, and any notice that is mailed in the manner herein provided shall conclusively be presumed to have been duly given regardless of whether such notice is in fact actually received.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Noteholders shall be filed with the Indenture Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such a waiver.

In case, by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity, it shall be impractical to mail notice of any event to Noteholders when such notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Indenture Trustee shall be deemed to be a sufficient giving of such notice.

Where this Indenture provides for notice to the Rating Agencies, failure to give such notice shall not affect any other rights or obligations created hereunder, and shall not under any circumstance constitute an Event of Default.

Section 10.06 Alternate Payment and Notice Provisions. Notwithstanding any provision of this Indenture or any of the Notes to the contrary, the Issuer may enter into any agreement with any Noteholder providing for a method of payment, or notice by the Indenture Trustee to such Noteholder, that is different from the methods provided for in this Indenture for such payments or notices. The Issuer shall furnish to the Indenture Trustee a copy of each such agreement and the Indenture Trustee shall cause payments to be made and notices to be given in accordance with such agreements.

Section 10.07 Conflict with Trust Indenture Act. If any provision hereof limits, qualifies or conflicts with another provision hereof that is required to be included in this Indenture by any of the provisions of TIA, such required provision shall control.

The provisions of TIA §§ 310 through 317 that impose duties on any Person (including the provisions automatically deemed included herein unless expressly excluded by this Indenture) are a part of and govern this Indenture, whether or not physically contained herein.

Section 10.08 Effect of Headings. The Article and Section headings herein are for convenience only and shall not affect the construction hereof.

Section 10.09 Successors and Assigns. All covenants and agreements in this Indenture and the Notes by the Issuer shall bind its successors and assigns, whether so expressed or not. All agreements of the Indenture Trustee in this Indenture shall bind its successors, co-trustees and agents.

Section 10.10 Severability. In case any provision in this Indenture or in the Notes shall be held invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions hereof shall not in any way be affected or impaired thereby.

Section 10.11 Benefits of Indenture. Nothing in this Indenture or in the Notes, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder, and the Noteholders, the Enhancer, and any other party secured hereunder, and any other Person with an ownership interest in any part of the Trust Estate, any benefit or any legal or equitable right, remedy or claim under this Indenture. The Enhancer shall be a third party beneficiary of this Indenture.

Section 10.12 Legal Holidays. In any case where the date on which any payment is due shall not be a Business Day, then (notwithstanding any other provision of the Notes or this Indenture) payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the date on which nominally due, and no interest shall accrue for the period from and after any such nominal date.

Section 10.13 GOVERNING LAW. THIS INDENTURE SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REFERENCE TO ITS CONFLICTS OF LAW PROVISIONS, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS.

Section 10.14 Counterparts. This Indenture may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

Section 10.15 Recording of Indenture. If this Indenture is subject to recording in any appropriate public recording offices, such recording is to be effected by the Issuer and at its expense accompanied by an Opinion of Counsel (which counsel shall be reasonably acceptable to the Indenture Trustee) to the effect that such recording is necessary either for the protection of the Noteholders or any other Person secured hereunder or for the enforcement of any right or remedy granted to the Indenture Trustee under this Indenture.

Section 10.16 Issuer Obligation. No recourse may be taken, directly or indirectly, with respect to the obligations of the Issuer, the Owner Trustee or the Indenture Trustee on the Notes or under this Indenture or any certificate or other writing delivered in connection herewith or therewith, against (i) the Indenture Trustee or the Owner Trustee in its individual capacity, (ii) any owner of a beneficial interest in the Issuer or (iii) any partner, owner, beneficiary, agent,

officer, director, employee or agent of the Indenture Trustee or the Owner Trustee in its individual capacity, any holder of a beneficial interest in the Issuer, the Owner Trustee or the Indenture Trustee or of any successor or assign of the Indenture Trustee or the Owner Trustee in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Indenture Trustee and the Owner Trustee have no such obligations in their respective individual capacities), and except that any such partner, owner or beneficiary shall be fully liable, to the extent provided by applicable law, for any unpaid consideration for stock, unpaid capital contribution or failure to pay any installment or call owing to such entity. For all purposes of this Indenture, in the performance of any duties or obligations of the Issuer hereunder, the Owner Trustee shall be subject to, and entitled to the benefits of, the terms and provisions of Articles VI, VII and VIII of the Trust Agreement.

Section 10.17 No Petition. The Indenture Trustee, by entering into this Indenture, and each Noteholder, by its acceptance of a Note, hereby covenant and agree that they will not at any time institute against the Depositor or the Issuer, or join in any institution against the Depositor or the Issuer of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any United States federal or state bankruptcy or similar law in connection with any obligations relating to the Notes, this Indenture or any of the other Basic Documents.

Section 10.18 Inspection. The Issuer agrees that, on reasonable prior notice, it shall permit any representative of the Indenture Trustee, during the Issuer's normal business hours, to examine all the books of account, records, reports and other papers of the Issuer, to make copies and extracts therefrom, to cause such books to be audited by Independent certified public accountants, and to discuss the Issuer's affairs, finances and accounts with the Issuer's officers, employees, and Independent certified public accountants, all at such reasonable times and as often as may be reasonably requested.
